

# Curriculum vitae

**Name:** Rofida Farag Mohammed Moftah

**Date of birth:** 18 /10/ 1983

**Country of birth:** Egypt

**Nationality:** Egyptian

**Sex:** female (Marital Status: married)

**Address:** Egypt-assiut

**E-mail:** [Rofidamoftah@yahoo.com](mailto:Rofidamoftah@yahoo.com)

## University Education:

- **May 2004** B.Sc. Agric. (Food Science and Technology), Assiut University  
(Excellent with honor).
- **June 2013** M.Sc. Agric. (Food Science and Technology), Assiut University  
“Changes in quality parameters of oils during deep frying and their nutritional effects”
- **May 2019** Ph.D. Agric. (Food Science and Technology), Assiut University  
“Biochemical studies on oils of safflower and Nigella sativa seeds”

## Language skills:

- **Native language:** Arabic.
- **Second language:** English (good speaking and writing) (the main language of my study).

## Scientific career:

- **2004 - 2013** Demonstrator, Food and Science Technology Dept., Faculty of Agriculture, Assiut University.
- **2013 - 2019** Assistant lecturer, Food and Science Technology Dept., Faculty of Agriculture, Assiut University.

- **2019 till now** Lecturer, Food and Science Technology Dept., Faculty of Agriculture, Assiut University.

### **Training courses:**

- **Effective Teaching:** held at Faculty of Education, Assiut University, 2005.
- **Teaching with Technology:** At Assiut University from 26-29 June 2005.
- **Effective Presentation Skills:** At Assiut University from 19-22 August 2005.
- **Thinking skills:** At Assiut University from 19-22 February 2007.
- **International Publishing of Research:** At Assiut University from 10-12 December 2011.
- **Quality Standards in Teaching:** At Assiut University from 8-10 January 2012.
- **Time and Conference Management:** At Assiut University from 14-16 January 2012.
- **Legal and Financial Aspects in University Environment:** At Assiut University from 7-8 January 2014.
- **Conference Organization:** At Assiut University from 11-13 January 2014.
- **Research Ethics:** At Assiut university from 25-26 January 2014.
- **Quality Standards in Teaching2:** At Assiut University from 8-9 February 2014.
- **University Administration:** At Assiut University from 8-9 February 2014.
- **Research Team Management:** At Assiut University from 15-17 February 2014.
- **English Language Proficiency Test:** At Assiut University 10<sup>th</sup> May 2014.
- **HPLC system optimization 12<sup>nd</sup> May 2020.**
- **Publication of research in international journals 17:19<sup>th</sup> May 2020.**
- **Communicating skills: 20:21<sup>st</sup> May 2020.**
- **Technicalities of design and conduct scientific research 20:21<sup>st</sup> May 2020.**

### **Publications:**

- **Rofida F. Moftah**; Mohamed R.A.Rashwan ; Ahmed H.A. Khalifa and F.A.El-Feshawy, Quality of Deep frying oils as affected by the type of foods and total frying – use time , . Assiut J.Agric.Sci., (45) No. (2), 2014, (56-66),

Faculty of Agriculture, Vol.45,No.2, 56-66, March, 2014.

- **Rofida F. Moftah**; M. R.A. Rashwan; A. S. Abdel-Gawad; Magda A.A. Seleim, Effect of Nigella sativa and Carthamus tinctorius L. oils on various biochemical parameters of streptozotocin-induced diabetic rats. Assiut J.Agric.Sci., (49) No. (2), 2018, (133-144).

**Congress attendance:**

- The first author of oral presentation ‘Quality of deep-frying oil as affected by the type of foods and total frying-use time’ presented at **the 7<sup>th</sup> Scientific Conference for junior Researchers**, in Assiut University, 28<sup>th</sup> April 2014.
- **The 8<sup>th</sup> Scientific Conference for junior Researchers**, in Assiut University, 29<sup>th</sup> April 2014.

**Activities:**

- Teaching undergraduate practical and teaching courses in principle of Food Technology, Food Analysis, Biochemistry, Canning, Meat and Fish Technology.

**Area of interest:**

- Fat and Oil Technology.
