

Alaa, G. H. El-ladgha
Plant Pathology Dept.
Faculty of Agriculture
Assiut University

Name: Alaa Gamal Hassan Ali El-ladgha

Title: Demonstrator of Plant Pathology

Email: Alaa.g.hassan@agr.aun.edu.ed

Department: Plant Pathology

Research Specialty: Nematode Diseases

Contact Info: alaagamal@gmail.com

Address:

Assiut University- Faculty of Agriculture- Department of
Plant Pathology Assiut- Egypt.

Phone: 01146470354 - 01021485281

Biography:

- **Education**

Graduation (2020), Assiut University, Egypt

Appointment as a teaching assistant (2021), Plant
Pathology Assiut University, Egypt.

➤ **Activities and Conferences:**

- Secretary of the Scientific Committee for Student Activities, Faculty of Agriculture, Assiut University (2017-2018).
- Essential Work Skills Program (2018).
- English Workshop (2018).
- Training In the Roof Planting and the Cultivation of Fruit Seedlings (2018).
- Roof-top cultivation a profitable project and a new face for cities (2019).
- Workshop explaining scientific research sites such as Google Scholar and Microsoft Power Point presentation program (2019).
- Seminar entitled: Nematodes diseases 2019.
- 3th International Plant Genetics and Genomics Symposium (IPGG) (2021).
- Activities of the 10th Scientific Conference for Young Researchers (2022).
- The Cereal Molecular Plant Breeding and Genetics- International Symposium Organized by MGBS (2022).
- Role of Fungi in Biotechnology and Sustainable Development (March, 12-15, 2023)

- Organization of nematologists of tropical America (In the ONTA 53rd Annual Meeting September 24-29, 2023, Cairo, Egypt).
- Biodiversity of Fungi Involved in the Biological Control of Plant Diseases and Pests (March, 3-6, 2024).

➤ **Education Courses:**

- Evaluation of oral and clinical tests (Oct. 2023).
- Statistical Analysis in Scientific Research (Feb. 9-20, 2023).
- Preparing the Test Item (Feb. 2024).
