

Curriculum Vita (C. V.)

Name :	Hesham Hasan Ali Ismail
Date of Birth :	3 / 4 / 1962
College :	College of Engineering
Dept. :	Architectural Engineering
Specialty:	Architectural Design
Fine Specialty:	Design of Healthcare Facilities
Job degree :	Lecturer

Scientific Degrees

Date	Degree
6 / 1984	Bachelor of Architectural Engineering
27 / 6 / 1993	M. Sc. of Architectural Engineering
27 / 10 / 2002	Ph. D. of Architectural Engineering

Job Degrees

Date	Degree
4 / 10 1984	Demonstrator, Dept. of Architectural Engineering, College of Engineering, Assiut University
15 / 7 1993	Assistant Lecturer, Dept. of Architectural Engineering, College of Engineering, Assiut University
2 / 3 2003	Lecturer, Dept. of Architectural Engineering, College of Engineering, Assiut University

Theses

	degree	Title of Thesis
1.	Master Degree	Principles & Data of Designing and Planning Touristic Villages in Egypt / Analytical & Field Study. (27 / 6 / 1993)
2.	Doctoral Degree	Design and planning of urban district hospitals in Egypt / case-study Assiut province. (27 / 10 / 2002)

PRACTICAL EXPERMENTS & PROJECTS

Date	Degree
2003 - 2004	Participate in preparing the plan of healthcare buildings in the context of the "Strategic Plan for the development of Assiut governorate until the year 2025". * Submitted to the presidency of the Council of Ministers
2004 - 2005	The preparation of the "Strategic Plan for the villages of the locality unit Msarh : Alqousia-Assiut province " * Size of project : two villages. * Submitted to : General Organization for Physical Planning - Ministry of Housing, Utilities and Urban Communities.
2005 - 2006	The preparation of the "Strategic Plan for the villages of the locality unit Naway : Mallawy – Al-Minya province " * Size of project : 7 villages. * Submitted to : General Organization for Physical Planning - Ministry of Housing, Utilities and Urban Communities.
2007 - 2008	The preparation of the "Strategic Plan for the villages of the locality unit Fazarah : Alqousia-Assiut province " * Size of project : 3 villages. * Submitted to : General Organization for Physical Planning - Ministry of Housing, Utilities and Urban Communities.

PRACTICAL EXPERMENTS & PROJECTS (Continued)

2007 - 2008	<p>The preparation of the "Strategic Plan for the villages of the locality unit Beni-Rafee : Alqousia-Assiut province "</p> <p>* Size of project : one village.</p> <p>* Submitted to : General Organization for Physical Planning - Ministry of Housing, Utilities and Urban Communities.</p>
2008 - 2009	<p>The preparation of the "Strategic Plan for the villages of the locality unit Al-Zaraby : Abo-Teej -Assiut province "</p> <p>* Size of project : 4 villages.</p> <p>* Submitted to : General Organization for Physical Planning - Ministry of Housing, Utilities and Urban Communities.</p>

Training Courses

2004	<p>Training Course " Design and planning of Healthcare Facilities in Mediterranean Countries".</p> <p>University of Rome, Rome, Italy</p> <p>(11 / 5 / 2004 : 26 / 7 / 2004)</p>
------	--

Supervision of Theses

1.	<p>Researcher : Zeyad Abd-Allah Yaqoub Al-Swaidan</p> <p>Registration Date: 2007</p> <p>Thesis degree : Doctoral Thesis.</p> <p>Institute of Researcher : College of Graduate Studies - Sudan University of Science & Technology.</p> <p>Thesis Title : Deriving Design Standards for Intensive Care Units / Analytical Study of Hospitals in Saudi Arabia.</p> <p>Thesis Situation : Completed and Discussed in November 2010.</p>
2.	<p>Researcher : Norhan Ayman Abdel-Karim.</p> <p>Registration Date: September 2014.</p> <p>Thesis degree : Master Thesis.</p> <p>Institute of Researcher : College of Engineering - Assiut University.</p> <p>Thesis Title : Application of Green Architecture Principles in Residential Buildings / Analytical Study Applied in Assiut.</p> <p>Thesis Situation : Under Preparation.</p>

Published Books

Date Title

2004 **Planning & Arrangement of Hospitals (تخطيط وتنسيق المستشفيات).**
* The book had been used as a text book for students of grade 4 in the College of Nursing, Assiut University during the years 2004, 2005, 2006.

2009 **Working Design (التصميمات التنفيذية).**
* The book had been used as a text book for students of grade 3 - Dept. of Architecture, College of Engineering, Assiut University during the years 2009, 2010, 2011.
* Publisher : Dar Al-Maarefa, Cairo.
