

# Curriculum Vitae

## 1. Personal Data

**Name:** Hazem Abdel-Azim Hammad, Ph.D.  
**Occupation:** Assistant Professor, Dept. of Architecture, Faculty of Engineering Assiut University, Assiut, Egypt  
**Mobile No.:** +20 111 5966604  
**Phone No.:** +20 88 2332577 (Home) +20 88 2411103 / 2411365 (Work)  
**Fax No.:** +20 88 2369813  
**Permanent address:** Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt.  
**E-mail address:** [hazemhammad@gmail.com](mailto:hazemhammad@gmail.com)  
**Internet Homepage:**  
**Marital Status:** Married, have one Child.  
**Date of Birth:** April, 12, 1962  
**Nationality:** Egyptian.

## 2. Qualifications:

Date	Degree	College	Grade	Courses Studied
2006	Ph.D. in Architecture.	Dept. of Architecture, Assiut University, Egypt, in cooperation with Texas A&M University, USA (1996-1998)	Thesis Title: <b>Measurement and Evaluation of the Effectiveness of Environmental Performance of Large-Scale Development Projects.</b> See the enclosed summary.	
1994	Master of Science in Architecture.	Dept. of Architecture, Assiut University, Egypt.	Thesis Title: <b>Methods for Residents' Attraction and Settlement in the New Desert Towns in Egypt.</b> See the enclosed summary.	See the enclosed certificate.
1986	Graduate Courses (for M.Sc.).	Dept. of Architecture, Assiut University, Egypt.	Very Good	
1984	Bachelor of Architecture.	Dept. of Architecture, Assiut University, Egypt.	Very Good	<ul style="list-style-type: none"> <li>• <b>Final Year Design Project:</b> Design of Assiut Railway Station Area in Assiut City.</li> <li>• <b>Final Year Planning Project:</b> Upgrading Project for "SEDFA" City in Assiut.</li> </ul>

## 3. Areas of expertise and Research Interests:

Landscape and Urban Design, Environmental Planning and Design Studies, Urban Development of New Desert Regions, Computer Aided Drafting and Design, Translation of Architecture and Planning Books.

## 4. Employment Progression and Military Service:

Date	Occupation
January 2006 till now	Assistant Professor, Dept. of Architecture, Faculty of Engineering Assiut University, Assiut, Egypt.
May 1994 – December 2005	Lecturer, Dept. of Architecture, Faculty of Engineering Assiut University, Assiut, Egypt.
October 1996 – October 1998	Visiting Scholar, Dept. of Landscape Architecture and Urban Planning, Texas A&M University, Texas, USA, as a member of Channel System.
January 1986 – May 1994	Tutor, Dept. of Architecture, Faculty of Engineering Assiut University, Assiut, Egypt.
October 1984 – January 1986	Soldier and instructor at the "Technical Military College, Cairo, Egypt".

---

## 5. Professional Societies:

- Member of the Egyptian Engineers Syndicate.
- Member of the Egyptian Engineers Society.
- Member of the Egyptian Architects Society.

## 6. Research Studies:

- **Ph.D. Thesis:** "Measurement and Evaluation of the Effectiveness of Environmental Performance of Large-Scale Development Projects", Dept. of Architecture, Faculty of Engineering Assiut University, Assiut, Egypt, in cooperation with Texas A&M University, USA (1996-1998), through a Channel System, January 2006.  
Under supervision of:
  - Prof. Nabil Safwat, Dept. of Landscape Architecture & Urban Planning, College of Architecture, Texas A&M University, and a Team Leader in ESCWA, United Nations.
  - Prof. Mahmoud A. Abdellatif, College of Architecture and Planning, University of Dammam, KSA.
  - Prof. Mohammed Abdel-Samea Eid, Dept. of Architecture, Assiut University, Egypt.
- **M.Sc. Thesis:** "Methods for Residents' Attraction and Settlement in the New Desert Towns in Egypt", Dept. of Architecture, Faculty of Engineering Assiut University, Assiut, Egypt, May 1994

## 7. Published Papers:

### Before Ph.D.:

1. Mahmoud A. Abdellatif and Hazem Abdel-Azim Hammad (1993), "Low Residential Attraction and Settlement Rates in the New Desert Communities of Egypt: Reasons and Remedies", The IV International Conference on Desert Development and Technology, Mexico City, Mexico, 25-30 July 1993.
2. Hazem Abdel-Azim Hammad, Mahmoud A. Abdellatif, Nabil A. Safwat, and Mohammed A. Eid (2004), "Post-Project Environmental Impact Evaluation for Large-scale Development Projects as a Tool for Monitoring absent Environmental Aspects: High Dam in Upper Egypt as a Case-study", Journal of Engineering Sciences, Assiut University, Vol. 32, No. 5, November 2004, pp. 2133-2151. (Arabic Text).
3. Hazem Abdel-Azim Hammad, Mahmoud A. Abdellatif, Nabil A. Safwat, and Mohammed A. Eid (2004), "Comparative Analysis of Methodologies used for Environmental Impact Evaluation of Development Projects", Engineering Research Journal (ERJ), Shoubra Faculty of Engineering, Zagazig University, Banha Branch, Issue No. 2, October 2004, pp. 147-166.

### After Ph.D.:

1. Hatem Mahmoud, Takafumi Arima, M. Ayman Daef, Hazem Hammad (2008), Use of Virtual Reality Techniques as a Support to Public Participation in Knowledge Societies: The Case Study of a Plaza Urban Development Project in Kyushu University – Japan, 3rd International Symposium on Knowledge Cities, 17-19 November 2008, Istanbul, Turkey.
2. Ryadh M. Al-Shamiry, Hazem Abdel-Azim Hammad, Ezzat A. Morghany, Mohammed A. Eid (2008), "Procedures of Environmental Impact Assessment of Projects, European Union and Egypt, A Comparative Study", 2<sup>nd</sup> International Conference on Future Horizons of Sustainable Development in Arab and African Countries, 17 – 20 December 2008, Sharm El-Sheikh, Egypt. (Arabic Text).
3. Hatem Mahmoud, Takafumi Arima, M. Ayman Daef, Hazem Hammad (2009), A prototype Certifying VR Technique for Facilitating e-Participation in Urban Development - "Experiences from Japan", The Fourth eServices Symposium in the Eastern Province: eServices Integration, 9-11 March 2009, Khubar, Kingdom of Saudi Arabia.
4. Hatem Mahmoud, Takafumi Arima, Mohamed Daef, Hazem Hammad (2009), and Masatoshi Nagano, "Marker System through VR Environment for Supporting E-Participation in Urban Development Projects "Case Study: Plaza in Kyushu University, Japan", 11th. International Conference on Computers in Urban Planning and Urban Management (CUPUM2009), University of Hong Kong, Hong Kong, 16-18 June 2009.
5. Ryadh M. Al-Shamiry, Mohammed A. Eid, Ezzat A. Morghany, Hazem Abdel-Azim Hammad, (2010), "EIA Procedures for Urban Development Projects: EU and Yemen - a Comparative Study", 8<sup>th</sup> International Architectural Conference of Assiut University, Architecture & Built Environment: Contemporary Issues, 13 – 15 April 2010, Dept. of Architecture, Assiut University, Egypt. (Arabic Text).

6. Amr Mamdoh Ali Youssef, Mohammed Abdel-Samea Eid, Hazem Abdel-Azim Hammad, (2010), The role of photovoltaic systems in fostering sustainable development in Egypt, Conference on Technology & Sustainability in the Built Environment, 3-6 January 2010, College of Architecture & Planning, King Saud University, Riyadh, KSA. (Arabic Text).
7. Amr Mamdoh Ali Youssef, Mohammed Abdel-Samea Eid, Hazem Abdel-Azim Hammad, (2010), "An Analytical Study of Active Solar Energy Technologies Convenient for New Assiut City", 8<sup>th</sup> International Architectural Conference of Assiut University, Architecture & Built Environment: Contemporary Issues, 13 – 15 April 2010, Dept. of Architecture, Assiut University, Egypt. (Arabic Text).
8. Ryadh M. Al-Shamiry, Mohammed A. Eid, Ezzat A. Morghany, Hazem Abdel-Azim Hammad, (2010), "EIA as a tool to support the Environmental Sustainability of Heritage Cities", First International Conference for Urban Heritage in the Islamic Countries, 23-26 May 2010, Saud Commission for Tourism and Antiquities, Riyadh, KSA. (Arabic Text).
9. Ayman Ragab Abdelrady, Shawkat M. L. Elkady, Hazem A. Hammad, (2010), The Impact of Contemporary Developments on Architectural Morphology of Traditional Houses in Upper Egypt: A Case study of Abul-Rish, Gharb Sohail, and Gharb Aswan Villages", Journal of Engineering Sciences, Assiut University, Vol. 38 No 6 pp. - November 2010. (Arabic Text).
10. Ahmed Ali, Aya Hagishima, Morad Abdel-Kader, Hazem Hammad (2013), Vernacular and Modern Building: Estimating the CO2 emissions from the building materials in Egypt, Building Simulation Cairo 2013 - Towards Sustainable & Green Built Environment, BEEiE (Building Energy & Environmental innovations in Egypt), Cairo, 23-24 June 2013.
11. Amr Mamdoh Ali Youssef, Mohammed Abdel-Samea Eid, Hazem Abdel-Azim Hammad, (2013), "Evaluation of Applying Photovoltaic systems on Existing Residential Buildings in New cities in Egypt: Models of the Youth housing in New Assiut city as a case study", 5<sup>th</sup>. Forum of Egyptian Engineers Association in Riyadh, Engineering strategies to support development, 15-17 May 2013, KSA. (Arabic Text).

## 8. Attended Professional and Training Courses:

Date	Course
October 2013	Design Builder Energy Modeling (24 hours workshop), Assiut University, Assiut, Egypt.
February 2012	LEED Green Associate (16 hours workshop), Assiut University, Assiut, Egypt.
December 2006	Writing and internationally publishing scientific research, FLDP, Assiut University.
November 2006	Geographic Information Systems (GIS-1), National Authority of Remote Sensing and Space Science. Cairo, Egypt.
April – September 2006	Information Technology and Communications, Assiut University, Assiut, Egypt.
March 2006	New Trends in Teaching, Assiut University, Assiut, Egypt.
February 2006	Effective Communication skills, Assiut University, Assiut, Egypt.
December 2004	Effective Teaching Techniques, Assiut University, Assiut, Egypt.
November 2001	Photography and its Scientific and Practical Applications, Assiut University, Assiut, Egypt.
October 1995	Principles of Teaching, Faculty of Education, Assiut University, Assiut, Egypt.
May 1993	German Language Course, Assiut University, Assiut, Egypt.
July 1991	English Language Course, Intermediate level, The British Council, Assiut, Egypt.
May 1991	English Language Course, Upper Elementary level, The British Council, Assiut, Egypt.

## 9. Teaching Activities:

Date	Teaching activity
2006 – till now	Teaching of "3D CAD Applications" for the students of 2 <sup>nd</sup> . Year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Theories of Architecture", for the students of 2 <sup>nd</sup> year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Architectural Design" for the students of 1 <sup>st</sup> year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Architectural Design" for the students of 2 <sup>nd</sup> year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Architectural Design" for the students of 3 <sup>rd</sup> year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt

	Teaching of "Basics of Architectural Design" for the students of 1 <sup>st</sup> year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Environmental Pollution" for the students of 4 <sup>th</sup> . Year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt
	Supervision of 4 <sup>th</sup> Grade Graduation Project, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Traditional Drawing and Rendering Techniques" for the students of Interior Design Program, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Environmental Protection" for the students of Interior Design Program, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Computer-aided Modeling and Rendering" for the students of Interior Design Program, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Architectural Design Studio-1" for the students of Interior Design Program, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Interior Design Studio-1" for the students of Interior Design Program, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Architectural Design" for the students of Architectural Engineering Diploma, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Engineering of Environment and Climate" for the students of Masters Degree, Faculty of Engineering, Assiut University, Assiut, Egypt
	Teaching of "Visual Training" for the students of 1 <sup>st</sup> year, Dept. of Architecture, Faculty of Engineering, Al-Azhar University and South Valley University, Egypt.
	Teaching of "Theories of Architecture", for the students of 1 <sup>st</sup> year, Dept. of Architecture, Faculty of Engineering, South Valley University, Aswan, Egypt
	Teaching of "Architectural Design" for the students of 2 <sup>nd</sup> year, Dept. of Architecture, Faculty of Engineering, Al-Azhar University, Qena, Egypt.
	Teaching of "Urban Design" for the students of 4 <sup>th</sup> year, Dept. of Architecture, Faculty of Engineering, Al-Azhar University, Qena, Egypt.
	Teaching of "Building Construction" for the students of 1 <sup>st</sup> year, Dept. of Civil Engineering, Faculty of Engineering, Assiut University, Assiut, Egypt
2000 - 2005	Teaching Assistance of "Architectural Design", and "Visual Training", for the students of 1 <sup>st</sup> . year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt.
	Teaching Assistance of "Town Planning" for the students of 2 <sup>nd</sup> . and 3 <sup>rd</sup> . year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt.
	Teaching Assistance of "2D and 3D Drafting" using AutoCAD, PhotoShop, and SketchUp for the students of 1 <sup>st</sup> . and 2 <sup>nd</sup> . Year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt.
1986 - 1995	Teaching Assistance of "Building Construction" for the students of 1 <sup>st</sup> . and 2 <sup>nd</sup> . year, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt.
	Teaching Assistance of "Engineering Drawing" and "Descriptive Engineering" for the students of Preparatory year, Faculty of Engineering, Assiut University, Assiut, Egypt.
	Teaching Assistance of several courses for the students of Faculty of Agriculture and Faculty of Education, Assiut University, Assiut, Egypt.
1985 - 1986	Teaching Assistance of "Descriptive Engineering" for the students of Preparatory year, Technical Military College, Cairo, Egypt.

## 10. Supervision of M.Sc. and Ph.D. Theses:

### Supervision of Ph.D. Theses: (Accomplished)

1. Riyadh Al-Shameery, Developing a methodology for environmental impact assessment of urban development projects in Yemen, Dept. of Architecture, Faculty of Engineering, Assiut University, Egypt, (2010)
2. Hatem Mahmoud Fathy, Participation Enhancement in Urban Planning Decision-Making Process using Virtual Reality Techniques, Ph.D. Thesis, Faculty of Engineering, Department of Architecture, South Valley University, Aswan. (participated from 2007 till 2009)

### Supervision of M.Sc. Theses: (Accomplished)

1. Ayman R. Abdel-Rady, "Conservation of Morphological Character of Vernacular Architecture in Upper Egypt under the Influence of Contemporary Developments", Dept. of Architecture, Faculty of Engineering, South Valley University, Aswan, Egypt.
2. Amr Mamdoh Ali Youssef, "The Potentials of Applying the Photovoltaic Systems to provide buildings with energy at new cities in Egypt", Dept. of Architecture, Faculty of Engineering, Assiut University, Egypt.

### Supervision of Ph.D. Theses: (Not accomplished yet)

1. Amr Mamdoh Ali Youssef, "Optimization of Building Envelope for the Integration of Photovoltaic Systems in Office Buildings in Egypt: A Computational Approach", Dept. of Architecture, Faculty of Engineering, Assiut University, Egypt.
2. Ahmed Abdel-Monteleb M Aly, "Low Carbon Buildings: Impact on Building Energy Efficiency in Egypt, Dept. of Architecture, Faculty of Engineering, Assiut University, Egypt.

### Supervision of M.Sc. Theses: (Not accomplished yet)

1. Marwa M. Abdel-Hafez, "Strategy of managing Change Orders in Construction Contracts in Egypt".
2. Nehal Nabil, "The Design Principles for One Day Surgery Hospitals: The evaluation of Qena hospital for one day surgery as a case study".
3. Eslam Abdel-Rahim, " A Systemic vision of the future architecture of the buildings of higher education in light of contemporary challenges and developments".
4. Tarek M. Abdel-Aziz, Thesis title is not determined yet.
5. Heba M. Aly, Thesis title is not determined yet.
6. Nesreen M. Abdel-Wahab, Thesis title is not determined yet. .

## 11. Technical Reports and Studies:

1. Participating in the preparation of Second and third Phase Reports of the Research Project "Comprehensive Development Methodology for Medium and small sized towns in Upper Egypt", in association with the Academy of Scientific Research, Egypt. (December 2006 – May 2008).
2. Participating in the preparation of "Technological College of Advanced industries in Assiut University" Report, (December 2007)
3. Participating in the preparation of Technical Report and studies of Upgrading project of the "Qessareya" ancient area in Assiut City. Urban Planning Authority, Assiut Branch, Assiut, Egypt. (October 2002 – May 2003).
4. Participating in the preparation of analytical studies, architectural design, and working drawings for "Assiut University Staff Tourist Village" in Northern Coast, Architecture and Planning Consulting Office, Dept. of Architecture, Faculty of Engineering, Assiut University, Egypt. (1987-1990).

## 12. Professional Experiences and Works:

### In the field of Architectural Competitions Jury:

2012 , 2013	Jury of "Evaluation of Creativity Prize in Graduation Projects", Egyptian Engineers Syndicate, Assiut, Egypt.
2006-2010	Jury of "CEMEX Contractor" competition for the years 2006-2010, CEMEX Assiut, Egypt.

### In the field of Urban Planning and Urban Design:

August 2010	Participating in the Project of "Detailed Plans of Beni-Swaif Villages, Egypt.
June 2007	Participating in the Design of "Master Layout" of Sohag University, Egypt.
November 2004	Urban Design of New Eastern Corniche of River Nile, Assiut, with the cooperation of Engineering Unit, Arab Contractors, Assiut Branch, Egypt.
August 2004	Architectural Design of New Northern Gate of Assiut City, Main Urban Road of Assiut/Cairo, with the cooperation of Engineering Unit, Arab Contractors, Assiut Branch, Egypt.
October 2002 – May 2003	Participating in the preparation of Technical Report and studies, Architectural Drawings and Presentation of Upgrading project of the "Qessareya" ancient area in Assiut City. Urban Planning Authority, Assiut Branch, Assiut, Egypt.

### In the field of Services Buildings Design:

2010	Participating in the Design of "New Olympic Swimming Pool" Mubarak City, Assiut, Egypt
2007	Design of "Students Main Restaurant" in Sohag University.
2002	Design of Administration building of "Amal Port-Saied" Association for Land Reclamation and Development, Port-Saied, Egypt.
2001	Design of Administration building, Manufacturing lines Halls for one of "Paper and bulb" factories, Industrial zone, Assiut, Egypt.

### In the field of Educational Buildings Design:

2006 - 2007	Participating in the Design of "Main amphitheater Building", Sohag University, Egypt.
1994 - 1995	Architectural and Working Drawings of numerous Educational Institutions of Al-Azhar, Qena Governorate, Egypt.

<b>In the field of Decorations:</b>	
2010	Participating in the Development and Design of "Judges Club", Suhag city, Egypt.
1996	Design and Supervision of decoration works of some residential units in Assiut City, Egypt.
1995	Design and Supervision of decoration works of a Clinic in Assiut City, Egypt

<b>In the field of Residential Buildings Design:</b>	
1986 – 1996	Design of many residential buildings in Assiut and Cairo, Egypt.

<b>In the field of Construction Supervision:</b>	
2010-2012	Supervising on Construction works of "Chamber of Commerce" building in Assiut, Egypt.

### **13. Conferences and Symposiums:**

- 1 **Conference:** 5<sup>th</sup> Forum of Egyptian Engineers Association in Riyadh, Engineering strategies to support development.  
**Organizers:** Egyptian Engineers Association in Riyadh, KSA.  
**Participation nature:** Research Paper with others.  
**Date and Place:** 15-17 May 2013, Riyadh, KSA

---

- 2 **Conference:** First International Conference for Urban Heritage in the Islamic Countries.  
**Organizers:** Saud Commission for Tourism and Antiquities, Riyadh, KSA.  
**Participation nature:** Research Paper with others.  
**Date and Place:** 23-26 May 2010, Riyadh, KSA

---

- 3 **Conference:** 8<sup>th</sup> International Architectural Conference of Assiut University, Architecture & Built Environment: Contemporary Issues  
**Organizers:** Dept. of Architecture, Assiut University, Egypt.  
**Participation nature:** Research Paper with others.  
**Date and Place:** 13 – 15 April 2010, Assiut, Egypt.

---

- 4 **Conference:** Conference on Technology & Sustainability in the Built Environment  
**Organizers:** College of Architecture & Planning, King Saud University, Riyadh, KSA  
**Participation nature:** Research Paper with others.  
**Date and Place:** 3-6 January 2010, Riyadh, KSA

---

- 5 **Conference:** 11<sup>th</sup> International Conference on Computers in Urban Planning and Urban Management (CUPUM2009)  
**Organizers:** University of Hong Kong, Hong Kong  
**Participation nature:** Research Paper with others.  
**Date and Place:** 16-18 June 2009, Hong Kong.

---

- 6 **Conference:** The Fourth eServices Symposium in the Eastern Province: eServices Integration.  
**Organizers:** Eastern Province, KSA  
**Participation nature:** Research Paper with others.  
**Date and Place:** 9-11 March 2009, Khubar, KSA.

---

- 7 **Conference:** 2<sup>nd</sup> International Conference on Future Horizons of Sustainable Development in Arab and African Countries  
**Organizers:** African Association for Sustainable Development.  
**Participation nature:** Research Paper with others.  
**Date and Place:** 17 – 20 December 2008, Sharm El-Sheikh, Egypt.

---

- 8 **Conference:** 3rd International Symposium on Knowledge Cities  
**Organizers:** Arab Institute for Town Development.  
**Participation nature:** Research Paper with others.  
**Date and Place:** 17-19 November 2008, Istanbul , Turkey.

---

- 9 **Conference:** 8<sup>th</sup> International Architectural Conference in Assiut (IACA8), "Architecture and Built Environment: Contemporary Issues. 13-15 April 2010.  
7<sup>th</sup> International Architectural Conference in Assiut (IACA7), "Housing for the Poor: Problems & Solutions. 9-11 April 2007.  
6<sup>th</sup> International Architectural Conference in Assiut (IACA6), "Digital Revolution and its impact on Architecture and Urbanization". 15-17 March 2005.  
5<sup>th</sup> International Architectural Conference in Assiut (IACA5), "Urbanization and Environment". 20-22 April 2003.

	<p>4<sup>th</sup> International Architectural Conference in Assiut (ICAU), "Architecture and Urbanization at the outset of the 3<sup>rd</sup>. Millennium. 28-30 March 2000.  3<sup>rd</sup> International Architectural Conference, "Desert Architecture &amp; Planning: Past Experiences &amp; Future Challenges. 17-19 November 1997.  2<sup>nd</sup> Architectural Conference, "Scientific &amp; Applied Experiences for Urban Development in Upper Egypt. 5-7 December 1995.  1<sup>st</sup> Architectural Conference, "Urban Development in Upper Egypt". 22-24 November 1993</p>
Organizers:	Dept. of Architectural, Faculty of Engineering, Assiut University, Assiut, Egypt.
Participation nature:	<b>A member in the Organizing, Scientific, and Publications Committee.</b>
Date and Place:	2010, 2007, 2005, 2003, 2000, 1997, 1995, 1993, Assiut, Egypt.
<b>10 Conference:</b>	2 <sup>nd</sup> International Symposium, "Planning Education in the 21 <sup>st</sup> Century: Past Experiences and Future Responses".
Organizers:	Faculty of Urban and Regional Planning, Cairo University, Cairo, Egypt.
Participation nature:	<b>Auditor.</b>
Date and Place:	26 – 28 April 1999, Marriott Hotel, Cairo, Egypt.
<b>11 Conference:</b>	Symposium of "Urban Transformations in the framework of Urban and Regional Planning of Greater Cairo".
Organizers:	Egyptian Engineers Society and Planning Society, Cairo.
Participation nature:	<b>Auditor.</b>
Date and Place:	15, 16 June 1991, Cairo, Egypt.

#### 14. Additional Work Experiences:

Date	Work Experience
2006 - 2013	<ul style="list-style-type: none"> <li>Active participation in many activities of "Faculty of Engineering Enhancement Plan" leading for Accreditation, Assiut University, Egypt. (2009-2011).</li> <li>Active participation in many committees to prepare "Self-Evaluation Study for the Faculty of Engineering" leading to Accreditation, Assiut University, Egypt. (2008-2010).</li> <li>Architectural Consultant for "Al-Hashemi Engineering L.L.C., Cairo, Egypt. (2008).</li> <li>Academic Guidance for 2<sup>nd</sup> year students, Dept. of Architecture, Assiut University, Egypt. (2006-2012).</li> <li>Member of "Architectural Engineering Department Council" for the years 2006/2007, 2009/2010, 2012/2013, Faculty of Engineering, Assiut University, Egypt.</li> <li>Coordinator of "Scientific Committee for Skills Development courses, Dept. of Architecture, Assiut University, Egypt. (2008-2012).</li> <li>Coordinator of "Quality Affairs for Interior Design Program", Assiut University, Egypt. (2010-2013).</li> <li>Academic Guidance for the students of "Interior Design Program", Assiut University, Egypt. (2009-2013).</li> <li>Member of "Interior Design Program Academic Committee", Assiut University, Egypt. (2009-2013).</li> <li>Moderator of the Weekly Scientific Seminar, Dept. of Architecture, Faculty of Engineering, Assiut University, Egypt. (2006-2008).</li> <li>Scientific and Administrative Supervisor of many students' trips and visits in Egypt.</li> <li>Administrative Supervisor of "Scientific Exchange Trip" between College of Architecture, Warsaw University of Technology, and Assiut University. (Poland July 2009 – Egypt October 2009).</li> <li>Member of Grading Committee for "Civil Engineering Department", Assiut University, Egypt. (2007-2013).</li> <li>Member of Grading Committee for "Interior Design Program", Assiut University, Egypt. (2009-2013).</li> </ul>
2004 - 2006	Architectural Consultant for "Arab Contractors" Company, Assiut Branch, Egypt.
1993 - 2010	Participating in the Preparation, organization, and Publishing committees of International Architectural Conferences periodically held in the Dept. of Architecture, Faculty of Engineering, Assiut University, Egypt.
1991 - 1995	A member of Editorial Committee, Al-Meimary magazine, issues No. 1, 2, and 3, Dept. of Architecture, Faculty of Engineering, Assiut University, Assiut, Egypt.
1984 - 1988	Designer, "AMARCONSULT, American Arabic Consulting Office", Cairo, EGYPT.
1982 - 1984	Before Graduation (During Vacations): Draftsman, "PASIO, Planning, Architecture, Structures, Integrated Office", Cairo, EGYPT.

---

## 15. Additional Skills:

- A skilful computer user of the following applications:
  - 2D and 3D drawings, using AutoCAD 2007, 2009, 2011.
  - Perspectives, using SketchUp 8.0 software.
  - Presentations, using Adobe PhotoShop CS5 software.
  - Word Processing, using MS Word 2007, 2010.
  - Presentations, using MS PowerPoint 2007, 2010.
- A skilful translator of English Architecture and Planning Books and Publications.

## 16. Languages:

English (Very good level of speaking, writing, and reading).  
Arabic (Native Language).
