

CURRICULUM VITAE

Name | Mohamed Mohamed Azmy Ahmed Moussa **Date of Birth** | 10/3/1972
Religion | Muslim **Nationality** | Egyptian
Sex | Male **Place of Birth** | Assiut
Marital Status | Married **Home Address** | El-Gomhorya St. El-Ansar building, Appartment "802", Assiut, Egypt
Mobile | +2/01002308040
Home Phone | +2/088/2314502 **E-Mail** | mmaam@hotmail.com
Work Phone | +2/088/2411109
Position for | Assistant professor

ACADEMIC QUALIFICATIONS

Educational Qualification | Doctorate
Date | 2013
Named Degree | PhD in Architecture
General Specialization | Architecture (Urban Planning)
Private Specialization | Regional Planning
Source | University of Assiut, Assiut, Egypt
Research Title | Future Aspects of The Regional Urban Network in Upper Egypt "Nile Valley in Assiut Region – as a Case Study"

Educational Qualification | Master
Date | 2004
Named Degree | MSc of Architecture
General Specialization | Architecture (Urban Planning)
Private Specialization | Urban Planning
Source | University of Assiut, Assiut, Egypt
Research Title | An analytical study for the urban development features in upper Egypt " with highlight on industrial development "

Educational Qualification | Bachelor
Date | 1995
Named Degree | Bachelor of Architecture - (Grade: very good)
Source | University of Sana'a - Arab Republic of Yemen

WORK EXPERIENCE

Lecturer in Department of Architecture - Faculty of Engineering - University of Assiut	2013 - Present
Assistant Lecturer in Department of Architecture - Faculty of Engineering - University of Assiut	2004 - 2013

Demonstrator in Department of Architecture - Faculty of Engineering - University of Assiut	2000 - 2004
Demonstrator in Department of Architecture - Faculty of Engineering and Technology - Suez Canal University	1997 - 2000

ADMIN RESPONSIBILITIES

Member of the evaluation committee for enrollment exam for students of the Department of Architecture	2015
Member of the Department of Architecture council Faculty of Engineering, Assiut University	2014/2015
Academic Advisor for students in the Interior Design credit hours program - Department of Architecture - Faculty of Engineering - University of Assiut	11/2014 - Present
Member of the jury of graduation project - Department of Architecture - Faculty of Engineering - Assiut University	2014

PROFESSIONAL MEMBERSHIPS OF APPRECIATION

Expert "c" in specialization of cities and villages of the General Authority for Urban Planning in Cairo	Since (2006) - Present
Membership of Egyptian Engineers Syndicate (Building specialization) - No. (13/3076)	Since (1998) - Present

SCIENTIFIC RESEARCH ACTIVITIES

Organizing committees participation in the regulatory agenda (Advertisement Committee) of the Sixth International Architectural Conference "digital revolution and its impact on Architecture and Urbanism" - Department of Architecture - Faculty of Engineering - University of Assiut, 17:15, March (2005)
Active participation in organizational work for the fifth International Conference on Architectural "urbanization and the environment" - (Thought and Practice) - Department of Architecture - Faculty of Engineering - University of Assiut, 22:20, April (2003).
Active participation in organizational work for the Architectural Conference: Proceedings Of The Third International Conference On Engineering Research - Faculty Of Engineering & Technology - Suez Canal University - November 9-11, (1999)

ACADEMIC ACTIVITIES

An educational course about methods of Traditional drawing and rendering techniques for architectural projects for the students of architecture, (2015)
A scientific trip to the Language School for kindergarten, primary, secondary education within the design of the second year of architecture Course, (2015), Assiut Governorate
A scientific trip to the facilities of Assiut University of various structural systems within the design of the second year architecture Course, (2015), Assiut Governorate
A scientific trip to several agencies of car showrooms within the design of the second year architecture Course, (2015), Assiut Governorate

An educational lecture about methods of Traditional drawing and rendering techniques for architectural projects for the First year students of architecture, (2015)
An educational lecture about designing the house gardens for the First year students of architecture, (2015)
Research activity in a research project of the Academy of Scientific Research and Technology entitled "comprehensive development methodology for medium and small cities in Upper Egypt" - May (2008)
Research activity in the preparation of urban studies for the city of "Badari", the province of Assiut, (2005)
Research activity in the preparation of urban studies for the city "Sadfa", the province of Assiut, (2004)

TEACHING EXPERIENCES

COURSES FOR POSTGRADUATE STUDENTS (DEPARTMENT OF ARCHITECTURE - FACULTY OF ENGINEERING - ASSIUT UNIVERSITY)

| Urban planning, (2014/2015)

COURSES FOR UNDERGRADUATE STUDENTS (DEPARTMENT OF ARCHITECTURE - FACULTY OF ENGINEERING - ASSIUT UNIVERSITY)

| Architectural design for the second year students (2013/2014), (2014/2015)

| Graduation Project for the fourth year students (2014)

| Regional Planning for the second year students (2013)

COURSES FOR UNDERGRADUATE STUDENTS (INTERIOR DESIGN AND ARCHITECTURE PROGRAM - DEPARTMENT OF ARCHITECTURE - FACULTY OF ENGINEERING - ASSIUT UNIVERSITY)

| Graduation project (2015)

| "Traditional drawing the rendering techniques" course (2013), (2015)

TRAINING AND WORKSHOPS

| A training course on "Time and meeting management", the Faculty of Education, University of Assiut, (2008)

| A training course on "Effective presentation", the Faculty of Education, University of Assiut, (2008)

| A training course on "Scientific publishing", the Faculty of Education, University of Assiut, (2008)

| A training course on "Financial and legal aspects of the University Business", the Faculty of Education, University of Assiut, (2008)

| A training course on "Thinking skills", the Faculty of Education, University of Assiut, (2006)

| A training course on "Methods of Scientific Research", the Faculty of Education, University of Assiut, (2006)

| Postgraduate courses "master degree" as follows: (Grade: very good)
 Urban planning - Engineering environment and climate - Statistics and processes programs
 - Planning desert areas

| Postgraduate courses "PhD degree" as follows: (Grade: very good)
Urban planning - Planning desert areas - Residential site planning - Statistics and processes programs

RESEARCH INTERESTS

| Urban and Regional Planning / Planning residential sites / Architecture / Architectural Design

RESEARCH PUBLICATIONS

| A research paper entitled: "Towards a future vision for a network of regional urbanization in Upper Egypt (the Nile Valley of Assiut region - as a case study)" published in Journal of Engineering Sciences, Assiut University, Vol. 40, No 1, pp.310 - 295, (January 2012)

| A research paper entitled: "Upgrading the urban regional pattern in Upper Egypt (the Nile Valley of Assiut region - as a case study)" published in Journal of Engineering Sciences, Assiut University, Vol. 40, No 1, pp.294 - 281, (January 2012)

| Participate a research paper entitled: "Environmental considerations in industrial development in Upper Egypt" at the Fifth International architectural Conference "urbanization and the environment" - (Thought and Practice) - Department of Architecture - Faculty of Engineering - University of Assiut - 22:20 (April 2003)
