

## CURRICULUM VITAE

### **Personal Information:**

Name: Ahmed Gamal Sholkamy Diab (M.Sc.)  
Office Address: Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt  
Home Address: 8 Elias blash st, Assiut, Egypt  
Work Phone: (+2088) 2413559  
Cellular Phone: (+20) 0101927327  
Email: [ahmedshd1@yahoo.com](mailto:ahmedshd1@yahoo.com)  
[ahmedgshd@gmail.com](mailto:ahmedgshd@gmail.com)  
[ahmedshd1@aun.edu.eg](mailto:ahmedshd1@aun.edu.eg)  
Work Fax: (+2088) (2333327)  
Place of Birth: Assiut, Egypt  
Date of birth : 2/2/1990

### **Education:**

2005-2012	Medical School	Faculty of Medicine, Assiut University, Assiut, Egypt <a href="http://www.aun.edu.eg/faculty-medicine/0">http://www.aun.edu.eg/faculty-medicine/0</a>
March 2013- March 2014	Internship	Assiut University Hospital <a href="http://www.aun.edu.eg/fac_med/medicin/Hospital2.htm">http://www.aun.edu.eg/fac_med/medicin/Hospital2.htm</a>
March 2014- March 2017	Residency	Otorhinolaryngology Department, Assiut University Hospital
April 2017- August 2017	“Endonasal Endoscopic Sinus Surgery” Clinical Fellowship	Otorhinolaryngology Department, Assiut University Hospital
September 2017- December 2017	“Endonasal Endoscopic Skull Base Surgery” Clinical Fellowship	Otorhinolaryngology Department, Alexandria University Hospital, Alexandria, Egypt. <a href="http://www.med.alexu.edu.eg/otolaryngology/">http://www.med.alexu.edu.eg/otolaryngology/</a>

January 2018 – present “Skull base reconstruction after endonasal endoscopic resection using autologous grafts” Clinical& Research Fellowship Otorhinolaryngology Department, Alexandria University Hospital, Alexandria, Egypt.

**Certification:**

<b>Year</b>	<b>Degree (Honors)</b>	<b>Institution</b>
September 2012	M.B.B.Ch degree * <i>Excellence with Honor</i> * <i>Ranked 46<sup>th</sup></i> (class size 780 medical students)	Faculty of Medicine, Assiut University, Assiut, Egypt
July 2017	M.Sc. degree, Otorhinolaryngology * <i>Very Good degree</i>	Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt

**Faculty Academic Appointments:**

<b>Month/Year(s)</b>	<b>Academic Title</b>	<b>Department/ Academic institution</b>
September 2016 - July 2017	Clinical demonstrator	Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt
July 2017 – September 2017	Assistant lecturer	Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt
September 2017- Present	Visiting Assistant lecturer	Otorhinolaryngology Department, Alexandria University Hospital, Alexandria, Egypt.

**Committee Service:**

**Local & Regional:**

2015 - 2017      *Obtaining fund for cochlear implant project in Assiut university hospitals*

**Research Activities:**

**Major Areas of Interest:**

- Endonasal endoscopic skull base surgery.
- Endoscopic orbital surgery (endonasal, transorbital).
- Pediatric rhinology.
- Scientific writing, international publications& presentation.

## **Report of Unfunded and Funded Projects**

### **Unfunded Projects:**

#### **Completed:**

##### **Completed:**

- " *Management of infection of external and middle ear in type 2 diabetic patients.*" M.Sc. Thesis. March 2014- December 2017; Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt.

##### **Current:**

- " *Skull base reconstruction after endonasal cranio-endoscopic resection using autologous grafts*" M.D. Thesis. January 2018- present ; Otorhinolaryngology Department, Alexandria University Hospital, Alexandria, Egypt.
- " *Endoscopic Versus Open Correction of the Dislocated Caudal End of the Nasal Septum: A Comparative Study.*" January 2017- present; Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt.
- " *Trans-oral Endoscopic Versus Trans-Nasal Endoscopic Adenoidectomy in Children: A Comparative Study.*" January 2017- present; Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt.
- " *Revision Adenoidectomy in Children.*" January 2018- present; Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt.
- " *Post- Adenoidectomy Hemorrhage in Children.*" January 2018- present; Otorhinolaryngology Department, Assiut University Hospital, Assiut, Egypt.

#### **Funded Projects: None**

## **Report of Local Teaching and Training**

October 2017	Epistaxis: An Updated Management	ORL Department, AUH One hour lecture
November 2017	Differential Diagnosis of Unilateral Secretory Otitis Media	ORL Department, AUH One hour lecture
December 2017	Endoscopic Management of Juvenile Nasopharyngeal Angiofibroma	ORL Department, AUH One hour lecture
January 2018	Cerebrospinal Rhinorrhea: An Algorhythmic Approach	ORL Department, AUH One hour lecture
February 2018	CT of the Nose& Paranasal Sinuses: Made Easy	ORL Department, AUH One hour lecture
March 2018	The Art of History Taking in ENT	ORL Department, AUH One hour lecture
April 2018	ENT Physical Examination: An Algorhythmic Approach	ORL Department, AUH One hour lecture
May 2018	Otitis Media in Children: Evidence Update	ORL Department, AUH One hour lecture
June 2018	Tonsillectomy in Children, Updated guidelines	ORL Department, AUH One hour lecture

## **Formal Teaching of Residents:**

### **Conferences and workshops attended:**

- December 2014: The 6th Assiut International Conference of Otolaryngology, Hurghada, Egypt.
- December 2016: The 7th Assiut International Conference of Otolaryngology, Hurghada, Egypt.
- January 2017: The 3<sup>rd</sup> Integrated Specialized Cadaveric Dissection courses session on Cochlear implantation Ain shams University, Cairo, Egypt (Hands-on).
- September 2017: Alexandria 4<sup>th</sup> WFNS skull base cadaveric dissection course ( hands off)
- September 2017: The Basic FESS Techniques Workshop (hands off)
- October 2017: The 9<sup>th</sup> Meeting of RhinoAlex. Alexandria, Egypt.
- October 2017: The Advanced ESS and Extended Endoscopic Skull Base Techniques Workshop. Alexandria University Hospital (hands off)
- December 2017: The 8th Assiut International Conference of Otolaryngology, Assuit, Egypt. ( organization & attendance)
- February 2018: The 24<sup>th</sup> Head and Neck Imaging course. Ain shams University, Cairo, Egypt.
- March 2018: The Basic FESS Techniques Workshop (hands on)
- March 2018: The Advanced ESS Techniques Workshop. (hands on)
- March 2018: The Extended Endoscopic Skull Base Techniques Workshop. (hands on)
- March 2018: The 24<sup>th</sup> rhino Egypt, 9<sup>th</sup> Pan Arab Society Meeting. Cairo, Egypt
- May 2018: The 1<sup>st</sup> scientific Meeting Of The Otorhinolaryngology Department Al-Azhar University, Assuit, Egypt.
- July 2018: The Annual Meeting of the Egyptian ORL Society " EGYPT ORL 2018" Alexandria, Egypt.

### **Additional Experience:**

- April 2008: The training program "Surgical Suturing" held by "Assiut Medical Education Development Center (AMEDC)", Assiut University, Egypt.
- July 2009: The training program "Cardio-pulmonary resuscitation (CPR)" held by "Assiut Medical Education Development Center (AMEDC)", Assiut University, Egypt.
- June 2013: The training program "Quality Standards in Teaching" held by "The Faculty and Leadership Development project (FLDP)", Assiut University, Egypt.
- June 2013: The training program "International publishing of Research" held by "The Faculty and Leadership Development project (FLDP)", Assiut University, Egypt.
- June 2013: The training program "Research Ethics" held by "The Faculty and Leadership Development Project (FLDP)", Assiut University, Egypt.
- July 2013: The training program "Legal and Financial Aspects in University Environment" held by "The Faculty and Leadership Development Project (FLDP)", Assiut University, Egypt.
- July 2013: The training program "Communication Skills" held by "The Faculty and Leadership Development Project (FLDP)", Assiut University, Egypt.

- July 2013: The training program “Code of Ethics” held by “The Faculty and Leadership Development Project (FLDP)”, Assiut University, Egypt.
- December 2015: The training program “Teaching Methods” held by “Quality Assurance Unit”, Faculty of Medicine, Assiut University, Egypt.
- December 2015: The training program “Methods of Assessment” held by “Quality Assurance Unit”, Faculty of Medicine, Assiut University, Egypt.
- January 2016: The training program “International Publications” held by “Quality Assurance Unit”, Faculty of Medicine, Assiut University, Egypt.
- January 2016: The training program “University administration” held by “The Faculty and Leadership Development Project (FLDP)”, Assiut University, Egypt.
- January 2016: The training program “Design and Conduct Scientific Research” held by “The Faculty and Leadership Development Project (FLDP)”, Assiut University, Egypt.
- January 2017: The training program “Strategic Planning” held by “The Faculty and Leadership Development Project (FLDP)”, Assiut University, Egypt.
- August 2017: The 57<sup>th</sup> Academic teacher preparation course. Faculty of Education, Assiut University, Egypt.

### **Report of Regional, National and International Invited Teaching and Presentations**

*No presentations below were sponsored by outside entities.*

#### **Regional**

- |          |   |  |
|----------|---|--|
| May 2018 | Endoscopic Endonasal Skull base Reconstruction In ENT Department, AUH | The 1st scientific Meeting Of The Otorhinolaryngology Department Al-Azhar University, Assiut, Egypt. |
|----------|---|--|

### **Report of Clinical Activities and Innovations**

#### **Current Licensure:**

- |               |  |
|---------------|--|
| 2012- Present | Egyptian Ministry of Health and Syndicate of Egyptian Physicians |
|---------------|--|

#### **Practice Activities & Major Areas of Interest:**

- Endonasal endoscopic skull base surgery.
- Endonasal endoscopic transsphenoidal surgery.
- Endonasal endoscopic resection of sinonasal and skull base tumors.
- Management of CSF (cerebrospinal fluid) fistulas.
- Management of rhinologic emergencies (e.g, Orbital abscess complicating rhinosinusitis, Orbital haematoma complicating FESS)
- Endoscopic management of severe intractable epistaxis.
- Endoscopic orbital surgery (endonasal, transorbital).

- Endonasal endoscopic lacrimal surgery.
- Pediatric rhinology.
- Endonasal endoscopic choanal atresia repair.
- Endonasal endoscopic adenoidectomy.

### **Report of Scholarship**

#### **Non-peer reviewed scholarship:**

Ragheb M.M., Osman M.M, **Ahmed gamal sholkamy**: Bacteriology of malignant otitis externa in type II diabetic patients; Assiut Medical Journal, 2017 (In press).
