

Plant Pathology Department

Faculty of Agriculture

Assiut University

Assiut, 71526, Egypt

Tel.: 02-088-2412574

Fax : 02-088-2331384

Curriculum Vitae

CONTACT INFORMATION

Name: Mohamed Hassan Abd El-Rehim Hassan

Title: Professor of Plant Pathology

Address: Plant Pathology Department, Faculty of Agriculture,

Assiut University, Assiut, 71526, Egypt.

Telephone: (office) : **02-088-2412574** (Home): **02-088-2342388**

Cell Phone: +201001543449

Web of Science ResearcherID: E-4109-2019

PERSONAL INFORMATION

Date of Birth: 19/9/1956

Place of Birth: Tema, Sohage

Citizenship: Egyptian

Sex: male

Marital Status: married

EDUCATIONAL BACKGROUND:

A. Academic degree:

B.Sc. : Plant Pathology, Assiut University, 1978.

M.Sc. : Plant Pathology, Assiut University, 1984.

Ph.D. ; Plant Pathology, Assiut University, 1992.

B. Academic Positions:

- Demonstrator in Plant Pathology Dept., Assiut University from 27/11/1978.
- Lecturer assistance in Plant Pathology Dept., Assiut University from 23/10/ 1984.
 - Lecturer in Plant Pathology Dept., Assiut University from 11/10/ 1992.
 - Associate Professor in Plant Pathology Dept., Assiut University from 25/1/ 1998.
 - Professor in Plant Pathology Dept., Assiut University from 25/5/ 2003 till now.
 - Head of Plant Pathology Dept., Faculty of Agriculture in New Valley, Assiut University from 2013 -2016.
 - Vice Dean Faculty of Agriculture in New Valley, Assiut University from 2013 -2016.
 - Head of Plant Pathology Dept., Faculty of Agriculture, Assiut University from 2016 – 2017.

General Field Specialization: Plant Pathology

Specific Field Specialization: Fungal Diseases

Current Research Interest: Biological Control, Viral diseases, Biotechnology. Mycotoxins, Induced resistance, Food contamination, Safe methods in plant diseases managements.

Administrative Positions:

Current Position:

- Emeritus Professor in Plant Pathology Dept., Assiut University from 1/8/ 2017 till now

Past Positions:

- Director of Quality Assurance Unit, from October 2006 till now - Vice Dean for Education and Student Affairs, Faculty of Agriculture (at New Valley), since September 2013
- Head, Department of Science and Technology of Sugar Industry (Agriculture), Sugar Technology Research Institute, since August 2013
- Head, Department of Plant Pathology, Faculty of Agriculture (at New Valley), since September 2013.

Awards and Grants:

- 1 - " Assiut University Prize for the Best Scientific Research " in Agricultural Sciences, 2004.
- 2 - " Teaching Excellence Award " in Agricultural Sciences, 2007.
- 3 - " Assiut University Prize for the international publication " in Agricultural Sciences, 2013.

Research Projects:

- 1- TEMPUS project at Assiut University, "**Establishing a New Master Degree in Sustainable Crop Protection**", in Plant Pathology Dept. Faculty of Agriculture ,Assiut Univ. Egypt (member)
- 1- **Conatus Improving Quality Assurance and Accreditation Project (CIQAP) in Faculty of agriculture, Assiut University. 2008- 2010.** Funded by Ministry of Egyptian Higher Education. (Implementation manager).

- 2- **Quality Assurance and Accreditation Project (QAAP1) in Faculty of agriculture, Assiut University. 2004- 2006.** Funded by Ministry of Egyptian Higher Education. (Implementation member). Management of mosaic and banana bunchy top diseases in Assiut Governorate. 1999 – Now. Funded by Ministry of Agriculture (member).
- 3- Production of potato seeds free from virus using biotechnology. 1996-1997. Funded by NARP (member).
- 4- Improvement of sesame productivity in upper Egypt. 1995-1996. Funded by NARP (P.I.).
- 5- Evaluation of Fennel and cumin accessions for fungal diseases and seeds oil contents . 1994-1996. Funded by NARP (member).
- 6- Integrated control of onion white rot. 1989-1993. Funded by NARP- At96 PP38 (member).
- 7- Improvement of sorghum and maize productivity in upper Egypt. 1982-1984. Funded by EMCIP (AT4)- (member).

PROFESSIONAL MEMBERSHIPS

- Egyptian Plant Pathology Society
- Arab Society for Plant Protection

EXPERIENCE:

- Teaching to under and post graduate in Universities
- Supervision and examination of more than 20 M.Sc. and Ph.D. Thesis
- External evaluator for Plant Pathology Program in Faculty of Agriculture , Alexandria University
- Peer Reviewer of Continuous Improvement and Qualifying for Accreditation Project
- in Faculty of agriculture, Sohag University.
- Auditor of Continuous Improvement and Qualifying for Accreditation Project in Faculty of agriculture, Sohag University.
- Auditor of Continuous Improvement and Qualifying for Accreditation Project in Faculty of agriculture, Sohag University.

- Implementation manager of Continuous Improvement and Qualifying for Accreditation Project in Faculty of Agriculture, Assiut University
- Manager of Quality Assurance and Accreditation Unit in Faculty of Agriculture, Assiut University
- Quality assurance Trainer of Continuous Improvement and Qualifying for Accreditation Project in Faculty of Agriculture, Assiut University
- Evaluator of proposals entitled (Nanomaterials-based aptasensors electrochemical detection of Fusarium mycotoxins in food) submitted by JOINT INNOVATIVE PROJECTS FUND (STDF – IRD) Joint Research Project Proposal 2011.
