

Ahmed Farag Mohamed Farag, B.A., M.A., PhD.

*Department of Libraries, Documentation and Information Science.
Faculty of Arts.
Assiut University.
Egypt.*

Cell: +2 01221228870

Email: ahmed.farag@aun.edu.eg

I. Summary: Highly experienced in Analysis and design of automated information systems....

II. Academic Qualifications:

**Doctor of Philosophy
(2004)**

University of Michel de Montagne-Bordeaux 3, France.

Dissertation title: National libraries in the face of information and communication technologies: A study of Internet portals for documentary information resources and user services: Strategic Aspects. (Analysis and design of automated information systems).

**Applied Computer Science
Diploma
(June 2003)**

University of Michel de Montagne-Bordeaux3, France.

**In-depth studies Diploma
(September2001)**

University of Michel de Montagne-Bordeaux3, France.

Diplôme d'Etude Approfondie (DEA) Masters level in Egyptian universities) in Information and Communication Science

**Master of Arts
Pre-master Studies
(May 1998)**

Department of Libraries, Documentation and Information Science, Faculty of Arts, Cairo University, Egypt.

**Bachelor of Arts
(June 1994)**

Department of Library and Information Science, Faculty of Arts, Alexandria University, Egypt.

Grade: Very good "with honor"

III. Work Experience:

Associate Professor (2016-Current)	Department of Libraries, Documentation and Information ,Faculty of Arts, Assiut University – Egypt.
Digital Library Consultant (2009-2017)	Saudi Digital Library, Ministry of Education - Kingdom of Saudi Arabia.
Assistant Professor (2007-2016)	Department of Information Management, College of Computer and Information Science - Imam Muhammad bin Saud University, Riyadh - Saudi Arabia.
Lecturer (2005-2016)	Department of Libraries, Documentation and Information, Faculty of Arts, Assiut University – Egypt .
Researcher (2001-2004)	GRESIC Research group Specialist in Applied & Experimental Research on Automated information Systems and Communication - University of Michel de Montagne - Bordeaux 3 - France.
Demonstrator (1997)	Department of Libraries, Documentation and Information, Faculty of Arts, Assiut University – Egypt .

IV. Professional Activities:

A. Professional Organizations Memberships:

- Egyptian Libraries Association.
- Arab Federation for Libraries and Information.

B. Academic Activities:

- Permanent member of Academic Council at Libraries, Documentation, and Information Department - Faculty of Arts - Assiut University.
- Reporter of the Academic curriculum Development Committee - Department of Libraries, Documentation and Information, Faculty of Arts, Assiut University.
- Scientific Committee member - Department of Information Management - College of Computer and Information Sciences - Imam Muhammad bin Saud Islamic University - Saudi Arabia.
- Quality and Academic Accreditation Committee member - College of Computer and Information Sciences - Imam Muhammad bin Saud Islamic University - Saudi Arabia.
- Curriculum Development Committee member - Department of Information Management - Imam Muhammad bin Saud Islamic University - Saudi Arabia.

- Academic Guidance Committee member - College of Computer and Information Sciences, Imam Muhammad bin Saud Islamic University - Saudi Arabia.
- Job Description Committee member - Information Management Department - Imam Muhammad bin Saud Islamic University - Saudi Arabia.

C. Professional Consulting:

- Consultant at Saudi Digital Library - Ministry of Education - Saudi Arabia (2009-2017).
- Consultant for digitization and maintenance of National Archives of Historical Pictures - Project - King Fahd National Library. Saudi Arabia (2014-2015).
- Consultant for digitization and maintenance of manuscripts and rare books project - King Fahd National Library – Saudi Arabia (2014-2015).
- Consultant for Digital Library Project - King Fahd National Library – Saudi Arabia (2012-2015).
- Consultant at Saudi Digital History Center, King Abdulaziz Foundation for Research and Archives “Darah” (2010-2012).

D. Training and Workshops:

- Certified trainer at Deanship of Skills Development - King Saud University - Kingdom of Saudi Arabia .
- Certified trainer at Academy for Development and Consulting CDC – Egypt.
- Certified trainer at International Training Center – Egypt.
- Certified trainer at Bahrain Center for Studies and Research - Manama – Bahrain.
- Certified trainer at Center of Excellence in Excellence - Muscat – Oman.
- Certified trainer at Aldarak center for training and consulting - United Arab Emirates.

E. Professional Technical Applications:

*** Programs and applications:**

- Content Management Systems.
- Electronic Record Management Systems.
- Electronic archiving systems.
- Databases Management Systems.
- Website management applications
- Images and graphics processing.
- References management software.

***Programming Languages:**

- HTML (Hypertext Markup Language).
- XML (eXtensible Markup Language).
- CSS (Cascading Style Sheet).
- XSL (eXtensible Style Sheet).
- XSLT (eXtensible Style Sheet Transformation).

***Additional Information:**

- Database design and management.
- Design and manage dynamic websites and portals.
- Digitizing information resources.
- Design and management of digital libraries.
- Digital image processing and film digital.
- Electronic management.
- Information research strategies in the digital environment.

V. Scientific Conferences:

- Innovation and innovation trends in libraries - King Abdulaziz Foundation for Endowment Libraries - Madinah - Kingdom of Saudi Arabia (September 2019).
- The 22nd Conference of the Egyptian Library Association. The role of information facilities in building the Egyptian person. Marsa Matrouh city (from 9 to 11 July 2019).
- Creativity in Libraries, Information Sciences and Documentation - Bibliotheca Alexandrina and Department of Libraries and Information- Faculty of Arts - Alexandria University (3-4 October 2018).
- The 28th Conference of the Arab Federation for Libraries and Information- Social networks and their effects on information institutions in the Arab world. Cairo, Egypt (27 to 29 November 2017).
- The First Arab Conference for Innovative librarian - Department of Libraries and Information, Faculty of Arts- Alexandria University, in cooperation with Bibliotheca Alexandrina (3-4 May 2017).
- The 27th Conference of the Arab Federation for Libraries and Information. Information Culture in the Arab Knowledge Society: Reality Challenges and Future Bet. Luxor - Egypt (14 to 16 November 2016).
- A Forum for ambassadors of libraries and information abroad .The Egyptian Association for Libraries and Information, in cooperation with Bibliotheca Alexandrina (3-4 August 2016).
- Recent developments in libraries: Leading aspirations and experiences " Deanship of Library Affairs at Princess Nourah Bint Abdul Rahman University, Riyadh- Saudi Arabia (December 2014).

- **The International Exhibition and Conference for Higher Education Fourth Session, Riyadh - Saudi Arabia (15-18 April 2014).**
- **The 24th conference of the Arab Federation for Libraries and Information, in cooperation with Taibah University. (profession and studies of libraries and information: reality and future directions), Medina - Saudi Arabia (26 to 27 November 2013).**
- **The 7th Saudi Library and Information Association Conference. Informatics and Knowledge: Change and Challenge in the Knowledge Society at King Saud University, Riyadh, Saudi Arabia (15 to 17 September 2012).**
- **The Arab Digital Content on the Internet: Challenges and Aspirations - Imam Muhammad bin Saud University, Riyadh - Saudi Arabia (3 to 5 October 2011).**
- **The Sixth Saudi Library and Information Association Conference. A secure information environment: concepts, legislation, and applications, Riyadh –Saudi Arabia (6 to 7 April 2010).**
- **The 20th conference of the Arab Federation for Libraries and Information, Towards a new generation of information systems and specialists: a future vision, Casablanca – Morocco (9-11 December 2009).**
- **The first international conference on distance learning. Information industry for the future, Riyadh - Saudi Arabia (16 to 18 March 2009).**
- **Scientific arbitration symposium: Objective Judgments or Self-Visions? Deanship of Scientific Research - Imam Muhammad bin Saud Islamic University, Riyadh-Saudi Arabia (January 2008).**
- **11th Conference of the Egyptian Library Association. Libraries and: Alphabetical Illiteracy, Cultural Illiteracy, Informational Illiteracy. Mansoura University , Mansoura (June 2007).**
- **The Second Arab Forum for Library and Information Technology - Information Technology and the Arab Cultural Identity: Privacy or Dependency from Thinking to Implementation – Cairo, Egypt (April 2007).**
- **10th conference of the Egyptian Library Association. the profession of libraries and information in Egypt between theory and practice - October 6 University (June 2006).**
- **A forum for recent methods of managing libraries and information centers with comprehensive quality. Bibliotheca Alexandrina (December 2005).**
- **The conference of the Egyptian Library Association at Mubarak Public Library - Port Said (June 2005).**

- The sixth national conference for documents, archives and information - Cairo University ,Beni Suef branch (March 2005).
- conference CFD (Conférence Fédérative sur le Document) About digital documents – Hammamet city - Tunisia (October 2002).
- The 2nd conference of the Egyptian Library Association. The Library is a tool for comprehensive development - Cairo University – Cairo (June 1998).

VI. Teaching Experience:

My academic work in the Department of Libraries, Documentation and Information ,Faculty of Arts, Assiut University, Egypt. And the Department of Information Management, College of Computer and Information Science, Imam Muhammad bin Saud University, Riyadh - Saudi Arabia. as an associate professor, assistant professor and Lecturer. included teaching various practical and theoretical courses in a variety of subjects such as:

- Electronic information resources.
- Global standards for data description.
- Electronic records management.
- Electronic Archiving.
- Reference management software.
- Management of information institutions.
- Advanced content analysis.
- Recent media for storing information.
- Analysis and design Information Systems.
- Integrated information systems.
- Information networks and communications technology.
- Information organization in the electronic environment.
- Information retrieval systems.
- Libraries and digital repositories.
- Electronic publishing and information services marketing.
- Managing human resources using information systems.
- Structure and design web portals.
- Information ethics and legislation.

VII. Publications:

A. Academic Theses:

- **Master Thesis: University of Michel de Montagne University - Bordeaux 3 - France, entitled: Analysis of French National Library portal: Functionalities and Communication strategies**
- **PhD thesis: University Michel de Montagne University - Bordeaux 3 - France, entitled: National libraries facing Information and Communication technologies: study of Internet access portals to documentary resources and user services: strategic aspects.**

B. Books:

- 1. Studies in Analysis and Design of Electronic Information Resources. Riyadh. King Fahd Library National. 2009.**
- 2. Basics of Information Studies. Riyadh: Saudi Library and Information Association. 2009.**
- 3. Web 2.0 Concepts and Applications. Riyadh: Saudi Library and Information Association. 2009.**

C. Scientific Articles and Studies:

- **Studies under publishing**
 - 1. Big data investment to develop search and retrieval mechanisms and customize information institutions services: an exploratory study**
 - 2. Digital voice assistants and their role in developing smart information services: an analytical study for their application in Arab information institutions**
- **Published Studies:**
 - 1. Biometrics applications in libraries: a study of the mechanism of work with Planning to Use them at the Bibliotheca Alexandrina. International journal of libraries and information sciences. October – December. 2020.**
 - 2. Scholars' perceptions at Egyptian Libraries and Information Science departments towards the usage of Reference Management Software.**
 - 3. RDFs a standard for e-content analysis: a study in its structure and applied models in information institutions. Egyptian Journal of Information Science. Volume 11, No. 1, 2017.**
 - 4. The Mashups technologies and its role for enhancing search and retrieval services at information institutions: analytical study. Journal of Arab Federation for Libraries and Information. No. 21, January 2018.**
 - 5. Academic Social Networking Platforms and their role in promoting the Scientific Publishing Movement: A Comparative Analytical Study. Conference proceedings 28th of the Arab Federation of Libraries and Information. 27 to 29 November 2017 in Cairo – Egypt.**

6. The role of information and communication technologies in implementing Business process re-engineering to develop information institutions: Strategic aspects. The 20th conference of the Egyptian Libraries Association - Bibliotheca Alexandrina - Alexandria Governorate 2017.
7. Functional requirements and technical specifications of electronic records management systems in information institutions: a survey study. The First Arab Conference for Innovative librarian - Department of Libraries and Information, Faculty of Arts- Alexandria University, in cooperation with Bibliotheca Alexandrina. From 3-4 May 2017.
8. Investing Internet of Things technologies to enhance information literacy mechanisms in information institutions: A planning study. The 27th Arab Federation for Libraries and Information Conference November 2016 Luxor - Egypt.
9. Status of teaching information ethics course at Information Science Departments, Saudi governmental universities: descriptive and analytical study. International Journal of Libraries and Information, January 2016.
10. Ontology semantic Web and its role in enhancement of digital content: concepts, structure and interactive services in the semantic portals for e-learning. Journal of Arab Libraries and Information Issue (4) Volume (25) October 2015.
11. Digital consortiums and their effects on promoting licensing agreements negotiations for the usage of databases: Saudi Digital Library model. Journal of the King Fahd National Library, vol. 21, Issue 2, April - October 2015.
12. Principals of building and developing information management strategies and its role in supporting information institutions. Cybrarians Journal. - Issue 38, June 2015.
13. Academic training program's role towards developing skills of information literacy: an experimental Study to employees at Imam University KSA - Kingdom of Saudi Arabia, Journal of Arab Federation for Libraries and Information, Issue 14, 2014.
14. The current trends in the development of curriculum of Libraries and information science departments: An evaluative study for the experiment of Information studies department at Imam university. Publication of the 24th conference of the Arab Federation for Libraries and Information, in cooperation with Taibah University. (profession and studies of libraries and information: reality and future directions), from 26 to 27 November, Medina - Saudi Arabia. 2013.
15. Web scale discovery services: concepts, structure and evaluation criteria in academic institutions. Journal of Arab Federation for Libraries and Information, April 2013, pp. 9-41.
16. Almobarraz, A. & Farag, A. "Graduate Students' Attitude Towards E-learning: A Study Case at Imam University". International Journal of Information Studies. Volume 4 number 2 April 2012.
17. The Open URL: A study of concepts, structure, and applications in information institutions. Journal of Arab Libraries and Information, Issue 9 and 10 (Double) October 2011 - April 2012.
18. Current trends in content analysis and their role in enhancing access to digital resources. The Arab Digital Content on the Internet: Challenges and Aspirations - Imam Muhammad bin Saud University, from 3 to 5 October, Riyadh - Saudi Arabia. 2011.

19. Selective web directories: A study of selected applied models. Arabia Magazine 3000, January 2011.
20. Web 2.0 technologies and their applications in information institutions. Journal of Arab Federation for Libraries and Information, Issue 7 October 2010.
21. Towards designing an Arab electronic web portal for academic digital content. the 20th conference of the Arab Federation for Libraries and Information, Towards a new generation of information systems and specialists: a future vision, from 9-11 December - Casablanca – Morocco, 2009.
22. Digital media and its applications in libraries and information institutions: concepts - challenges – future prospects. Informatics, p. 25, 2009.
23. "Digitization inhouse or outsourcing of information institutions? A study of the problems and selection criteria" Journal of Information Studies, Issue 4, January 2009.
24. Optical Character recognition techniques: selection criteria, mechanism of action, and future prospects. Informatics, p 21, March 2008.
25. Towards a general framework for applying the use of electronic signature system in information institutions: a study of the technical and organizational framework and infrastructure. Journal of Information Studies, No. 1. January 2008.
26. Projects of digitizing information resources: a study of the experiences of the Francophone national libraries. Journal of Arab Federation for Libraries and Information, Issue 1, October 2007.
27. "Electronic signature and its role in supporting the electronic management system: a study on concepts, challenges and future prospects" The Second Arab Forum for Library and Information Technology - Information Technology and the Arab Cultural Identity: Privacy or Dependency from Thinking to Implementation – Cairo. Egypt 2007.
28. "standard Z39.50: An essential tool for retrieving information through library portals. " - cybrarians journal. Issue 11, December 2006, Available at:<http://www.cybrarians.info/journal/no11/z39.50.htm>
29. "Designing digital libraries projects: a study of the experiences of major libraries" 10th conference of the Egyptian Library Association. the profession of libraries and information in Egypt between theory and practice - October 6 University, 2006.

31. "Strategies for Digitizing Information Sources: Selection Criteria, Problems, and Future Prospects" A forum for recent methods of managing libraries and information centers with comprehensive quality. Bibliotheca Alexandrina. Egypt 2005.
32. "Digital Libraries: Concepts and Challenges and their Impact on the Profession of Librarians: A Study between Reality and Expectation" A forum for recent methods of managing libraries and information centers with comprehensive quality. Bibliotheca Alexandrina. Egypt 2005.
33. "Information Research Techniques on the World Wide Web ". - Libraries now, Year 2, Issue 4 , pp 53- 89, 2005.

34. "Libraries and the Application of the E- Books: Concepts, Challenges, and Future Prospects" conference of the Egyptian Library Association. at Mubarak Public Library - Port Said. 2005.
35. "Library portals on the Internet: concepts, characteristics, general functions and classifications". Libraries Now, Year 2, Issue 3, pp. 7-38, 2005.
36. "Techniques used in the digitization of electronic documents: selection criteria, problems, and future prospects" The sixth national conference for documents, archives and information - Cairo University, Beni Suef branch, 2005.

VIII. Workshops and Courses (as a trainer):

1. Workshop Reference Citation and Scientific plagiarism. the Faculty of Arts, Assiut University. (November 2019).
2. Workshop of Scientific publishing for faculty members in international scientific journals. Department of Libraries, Documentation and Information at the Faculty of Arts, Assiut University. (April 2018).
3. Workshop on "opensource software and its applications in information institutions", the Egyptian Libraries Association. (November 2017).
4. Training Program of Records and documents management electronically - Muscat - Sultanate of Oman. (October 2017).
5. Workshop "Scientific publishing for faculty members in international scientific journals: modern trends for writing scientific papers and publishing them internationally". organized by Vice Deanship for Community Service and Environmental Development Affairs, Alexandria University. (September 2015).
6. A workshop on "Developing Advanced Research Skills for Information Sources in the Digital Environment". Organized by the Vice Dean for Community Service and Environmental Development Affairs, Alexandria University. (September 2015).
7. Training program entitled "Writing project proposals and research grants" organized by King Saud University - University Vice Presidency for Development and Quality - Deanship of Skills Development (April 2015)
8. Scientific publishing program for faculty members in international scientific journals. Organized through King Saud University - University Vice Presidency for Development and Quality - Deanship of Skills Development (March 2015).
9. Training program entitled "Software for writing and managing scientific references" organized through King Saud University - University Vice Presidency for Development and Quality - Deanship of Skills Development (March 2015).
10. Workshop on electronic information sources and ways to invest in developing reference services in public libraries. Ministry of Culture and Information. Saudi Arabia. (December 2013).
1. 11. Human resources management workshop using information systems Muscat - Sultanate of Oman (March 2013).
11. Workshop on Electronic Data Storage. Muscat - Sultanate of Oman. (January 2013).

12. Workshop on "Marketing Skills for Libraries" at Umm Al-Quwain - United Arab Emirates. (March 2012).
13. Workshop on "Modern Office Management" Abu Dhabi - United Arab Emirates. (March 2012).
14. Training session about: Web 2.0 Applications Workshop within the activities of the Arab Digital Content Conference on the Internet: Challenges and Aspirations - Imam Muhammad bin Saud University - Riyadh - Saudi Arabia. (October 2011).
15. Training program entitled " Structure of building Internet portals and their evaluation criteria" organized through the Saudi Library Association. (May 2011).
16. Workshop on "training of trainers" within the framework of the project to develop creativity and excellence for faculty members in Saudi universities. (June 2009).
17. Training of faculty members in the Department of Information Studies - College of Computer and Information Sciences - Imam Muhammad bin Saud University in Riyadh through a workshop entitled " Internet portals: concepts, structural construction, classifications, and future prospects. (May 2009).
18. Workshop "Free Access to Information: A Look at the Information Society for Software and Open Source" College of Computer and Information Sciences - Imam Muhammad bin Saud Islamic University. (May 2009).
19. Workshop entitled "Web 2.0 concepts, services and applications in information institutions. For faculty members in the Department of Information Studies - College of Computer and Information Sciences - Imam Muhammad bin Saud University in Riyadh. (January 2009).
20. A training workshop entitled Preparing and Designing Archiving and Electronic Libraries. State of Bahrain from 1 to 8 July in cooperation with the Bahrain Center for Studies and Research. (July 2008).
21. Training of workers in the Ministry of Housing and the Omani Civil Service through a workshop entitled "Data Preservation and Confidentiality of Administrative Information. Muscat - Sultanate of Oman. (April 2008).
22. Workshop entitled "Electronic Information Sources: Digitization and its Applications in Information Institutions" for faculty members in the Department of Information Studies - College of Computer and Information Sciences - Imam Muhammad bin Saud University in Riyadh. (March 2008).
23. Training faculty members in the Department of Information Studies - College of Computer and Information Sciences - Imam Muhammad bin Saud University in Riyadh through a workshop entitled "Information Organization in the Electronic Environment". (March 2008)
24. The course of developing the skills of faculty members under the title "Preparing the writing of scientific research and publishing it internationally" (from 5 to 7 May 2007).
25. Training human cadres on the axis of libraries and information specialists: a modern and advanced vision in the information age (from 17 to 21 March 2007).
26. Training the Arab human cadres on the axis of developing communication skills for workers in the field of information technology - a training program organized through the Academy for Performance Development and Consulting. (December 2006).

27. Training Arab human cadres on the axis of challenges facing specialized libraries - an organized training program through the Academy for Performance Development and Consulting. (December 2006).
28. Training the human cadres at the Faculty of Education - Alexandria University on scientific publishing, marketing of information services, scientific research and the ceremony of conducting scientific seminars and conferences - within the framework of the strategic plan for the development of colleges of education (axis of scientific publishing). (August 2006).
29. Training of human resources at the Faculty of Education - Alexandria University on the use of information technology in scientific publishing - within the framework of the strategic plan for the development of colleges of education (axis of scientific publishing). (August 2006).
30. Training the human cadres at the Faculty of Education - Alexandria University on the basics and tasks of scientific publishing - within the framework of the strategic plan for the development of colleges of education (the axis of scientific publishing). (August 2006).
31. Training of libraries and information specialist at the Faculty of Education - Alexandria University on the modern trends of information technology in libraries - within the framework of the strategic plan for the development of colleges of education (library axis). (July 2006).
32. Training the library and information specialist at the Faculty of Education - Alexandria University on the rules of objective analysis - within the framework of the strategic plan for the development of colleges of education. (June 2006).
33. Training the library and information specialist at the Faculty of Education - Alexandria University on the rules and codification of the bibliographic description - within the framework of the strategic plan for the development of colleges of education. (June 2006).
34. The course of developing the skills of faculty members under the title "Modern Trends in Teaching". (from 25 to 27 March 2006).
35. Training the library specialist, Assiut University, on analyzing and designing digital systems in libraries. (March 2006).
36. Training the library specialist, Assiut University, on information network systems and communication technology. (March 2006).
37. Ethics of the profession of faculty members at Assiut University. (October 2005).
38. electronic motion pictures. Organized course by URFIST Bordeaux – France. (June 2004).
39. Design and build a website using Dreamweaver. Organized course by URFIST Bordeaux – France. (April 2004).
40. An advanced study of digital photos. Organized course by URFIST Bordeaux – France. (March 2004).
41. ENDNOTE software. Organized course by URFIST Bordeaux – France. (February 2004).
42. digital photos. Organized course by URFIST Bordeaux – France. (February 2004).
43. Information Systems. Organized course by URFIST Bordeaux – France. (May 2003).
44. Automated search for electronic information sources. Organized course by URFIST Bordeaux – France. (May 2003).

45. Advanced Study of the Program PowerPoint. Organized course by URFIST Bordeaux – France. (May 2003).

46. University teacher preparation course, Faculty of Education, Assiut University. (January 2001)

IX. Graduate Students (Supervising Academic Theses):

Student Name	Degree	Thesis Title	Starting Date
Heba Mustafa Mustafa	Master	Egyptian Knowledge Bank and the Saudi Digital Library: a comparative analytical study	2020
Ibrahim Zakaria Suleiman Issa	PhD	Bibliotheca Alexandrina Digital Laboratory: A case study with planning to develop OCR mechanisms at the laboratory	2019
Haidy Ibrahim Abdul-Ghani Haggag	PhD	Knowledge sharing for specialists in Arab Information Institutions in the light of the Fourth Industrial Revolution: An Analytical and Planning Study	2019
Omnia Aladdin Ramadan Mahmoud	Master	Planning to invest Big data technologies to develop academic information institution services: Alexandria University Libraries as a model	2018
Shaima Farouk Abdul Salam Ahmed	PhD	Proficiency patterns of faculty members at Assiut University from academic social networks: an analytical study	2018
Asmaa Jalal Suleiman Khaled	PhD	The reality of information services provided to students with special needs at the Assiut University libraries: an analytical evaluation study	2018
Ayah Ramadan Sayed Rifai	Master	A proposed design for the semantic web ontology model in building and developing holdings of libraries and information centers: a planning study	2018
Ahmed Mohammed Mohammed al-Qalishani	PhD	Methods of benefiting researchers from electronic specialized information sources at the College of the Holy Quran: a field study with an expert system design	2018
Iman Issa Bastawi	PhD	Establishing an e-learning platform at the Central Scientific Library of Alexandria University: a planning study	2018
