## 9- Teaching activities

May 1995-2007	Assisting through teaching of all subjects for students of architecture in various years, Department of Architecture, Faculty of Engineering, Assiut University
---------------	---

### **1- Teaching activities at Assiut University**

#### **Undergraduate Courses**

##### **Architecture**

- 1- Principles of Design and Architectural Drawing
- 2- Architectural Design Studio(1).
- 3- Architectural Design Studio(2).
- 4- Architectural Design Studio(3).
- 5- Architectural Design Studio(5).
- 6- Architectural Design Studio(6)
- 7- Quantities & Specification.
- 8- Urban Planning (2).
- 9- Design (6)

##### **Interior Design**

- 1 - Graduation project.
- 2 - Interior Design Studio (3).
- 3 - Architectural Design Studio (3).
- 4 - Architectural Design Studio (1).
- 5 - Principles of Design and Architectural Drawing.
- 6 - Problem Solving.
- 7 - Communication & Presentation Skills.
- 8 - Contracts, Quantities & Specifications.

May 2007 till now

- 9 - Town Planning.
- 10- Environmental Protection.

**Postgraduate Courses:**

- 1. Diploma
  - Urban planning (2)
  - Housing and Urban Design (1)
- 2. Master
  - Residential sites planning
  - Research Plan
  - Urban demonstration techniques
  - Urban design project-2

**2- Teaching activities at King Saud University**

**Undergraduate Courses**

**Architecture**

- 1- Architectural Design Studio(5)
- 2- Architectural Design Studio(6)

**Postgraduate Courses**

- . Master
  - Theories and History of Urban Design.
  - Presentation Techniques in Urban Design (Project1).
  - Urban Design in New Cities (Project 2).
  - Workshop (planning project)
  - Prepare research plan.

---

**10- Research**

---

**10-1 Published Papers**

---

- 1- "Upgrading as a means to solve the problems of the old areas".  
Second architectural Conference "Applied scientific expertise and Urban Development in Upper Egypt  
Architecture department, faculty of engineering, Assiut University 5-7 December 1995.
