

Curriculum Vitae

Personal Data:

- *Name:* **Mohammad Gamal Abdalrahman Khalaf**
- *Title:* **Doctorate Degree (M.D) in Chest Diseases, Assiut University, European Diploma in Adult Respiratory Medicine.**
- *Current Position:* **Lecturer of Chest Diseases, Faculty of Medicine, Assuit University. Consultant of Chest Diseases, Assiut University Hospital.**
- *Gender:* male
- *Marital status:* married
- *Nationality:* Egyptian
- *Birth date:* March 25th. 1984
- *Place of birth:* Assiut, Egypt
- *E-mail:*
 - dr.mga2011@yahoo.com
 - dr.mga2012@gmail.com
 - dr.mga2011@aun.edu.eg
- *Cellular phone:* +201026600071
- *Whats app Number:* +201026600071
- *Fax:* +20882333327 (Hospital Fax)
- *Languages:* English and Arabic.
- *Postal Address:* Assiut City, Assiut University Hospital, Main building, Department of Chest Diseases, 7th floor. Postal code: 71515
- *Current Home address:* khadrah alsharifa Str., Elbaisary, Assiut, Egypt.
- *Passport Number:* A13106683
- *National ID:* 28403252501871

Dataflow Verification:

- *Client Reference:* 02019038649
- *Dataflow Case Reference issued to Oman Medical Speciality Board (OMSB):* O001-1908-493815
- *SAUDI COMMISSION FOR HEALTH SPECIALTIES (SCHS):* S004-2301-1343622

Languages:

- Arabic is my native language

- English language:
 - IELTS exam results (25/3/2017): Listening: 6, Reading: 6.5, Writing: 6.5, Speaking 6.5, Overall: 6.5.
 - Occupational English Test (OET) (2021): Speaking: 370 , Reading: 360 , Writing: 360 , Listening: 280
 - English Language Center Program (Level 1) in Assiut University (Score 86%)
 - English Language Proficiency test (ELPT) (Assiut University): Score 85%

Qualifications and degrees:

- General certificate of secondary education in 2000.
- MB.B.Ch, Bachelor degree of medicine and surgery, faculty of medicine, Assiut University, 2007 (Excellent with Honor Degree).
- M.Sc. of Chest diseases, Assiut University, in May 2012 (very good).
- Doctorate degree (M.D.) in Chest Diseases 31/10/2018.
- European Diploma in Adult Respiratory Medicine (2020)

Positions held:

a) Current: Lecturer of Chest Diseases, Faculty of Medicine, Assiut University, Consultant of Chest Diseases, Assiut University Hospital From 26/11/2018 till now.

b) Past:

- House officer for one year in Assiut University hospitals from 1/3/2008 till 28/2/2009.
- Resident doctor in Department of Chest Diseases, Assiut University hospitals from 1/3/2009 till 28/2/2012.
- Demonstrator in Department of Chest Diseases, Assiut University hospitals from 1/3/2012 till 31/7/2012.
- Assistant lecturer in Department Chest Diseases, Faculty of Medicine, Assiut University from 31/7/2012 till 26/11/2018

Scientific activities:

- Teaching clinical and theoretical pulmonary medicine for medical students, house officers and resident doctors in Assiut University.
- Supervision of the scientific and clinical performance of residents and house officers.
- Attending and participating in organizing national scientific meetings and conferences regularly in Egypt.
- Master thesis entitled: "Ventilator associated pneumonia: current status and future developments".
- MD thesis entitled: "No sedation versus daily interruption of sedation in COPD mechanically ventilated patients".

Conferences, workshops and learning courses:

I have attended and participated in many conferences, workshops and learning courses in addition to online CME credits.

- I have earned **52.5** credits of CME from the European Respiratory Society (ERS) in 2017.
- I have earned **54.5** credits of CME from the European Respiratory Society (ERS) in 2020.
- Workshops held in Assiut University Hospital on Pulmonary function, sleep medicine, chest ultrasonography and bronchoscopy (19-21 march, 2009).
- 9th annual assembly meeting of Egyptian Scientific Society of Bronchology (ESSB) (3-5 December, 2009).
- 12th annual scientific congress of gastroenterology and liver diseases (23-24 December, 2009).
- Advanced hand-on course on chest ultrasonography (7 July, 2011).
- Diagnostic and therapeutic bronchoscopy and transthoracic chest ultrasound workshops (11-13 April, 2012).
- 5th Portsaid annual thoracic meeting in collaboration with Egyptian Society of chest diseases and tuberculosis (ESCT) (13-15 September, 2012).
- ACCP-SEEK learning course (Assessment in Critical Care and Pulmonary Self Education and Evaluation of Knowledge, Volume XXI), 2013.
- American thoracic society (ATS) learning course about COPD supported by Astrazeneca.
- Conference of chest department "Challenges in Pulmonary Practice" (6-8 February, 2013).
- 54th international congress of Egyptian Society of chest diseases and tuberculosis (ESCT) (26-29 March, 2013).
- The Egyptian Society of Allergy, Asthma and Immunology conference "Severe Asthma: Decision Tree for Management" (13-15 June, 2013).
- Advanced hand on workshops in Bronchoscopy, Thoracoscopy, pulmonary function tests, sleep medicine and transthoracic chest sonography organized by chest department, Assiut University in collaboration with Egyptian Scientific Society of Bronchology (ESSB) (25-27 December, 2013).
- Workshop of respiratory ICU (RICU) organized by chest department, faculty of medicine, Assiut University (7-8 May, 2014).
- The annual conference of chest department, Assiut university "Fundamentals and revolutions in respiratory medicine" (4-7 February, 2014).
- The annual summer meeting of chest department, Assiut University: "Evidence based management of chest diseases" (18-21 June, 2014).
- The annual conference of chest department, Assiut university: "Every day practice in pulmonary medicine" (11-14 February, 2015)
- 4th annual conference of chest department, Assiut University "Chest Puzzles" (18-23 July, 2016).

- Conference and workshop of respiratory ICU (RICU): "Emergencies in pulmonary medicine: an evidence based approach" organized by chest department, faculty of medicine, Assiut University (29- 30 November, 2016).
- The interactive workshop of the Exhale program (approved by the Royal College of general practitioners RCGP, UK) held in 9, 10 February 2017.
- 5th annual conference of chest department, Assiut University "FAQs in Pulmonary Medicine" and associated workshops (8-11 March, 2017).
- 1st Annual Conference of South Valley Egyptian Society of Pulmonology and Allergy “Guidelines in Chest Diseases” (9,10 July, 2017).
- The annual Conference and workshop of The Society of Respiratory Intensive Care (SRIC): Hypoxemic respiratory failure (9-11 August, 2017).
- First Annual Conference of Assiut Society against Smoking, Tuberculosis and Chest Diseases (ASASTC): Basics of Pulmonary Medicine. (10-12 October, 2017)
- 2nd Annual workshop of South Valley Egyptian Society of Pulmonology and Allergy (9,10 April, 2018)
- CARE learning Program (Internationally accredited Respiratory Medical Education Program Provided by GSK in collaboration with the ESSB) (175 credit points) (2018)
- 2nd Annual Conference of Assiut Society against Smoking, Tuberculosis and Chest Diseases (ASASTC) (13-15 November, 2018) (Organization).
- ESSB learning module "Pulmonary Cases Tips and Tricks" (21 December 2018)
- 2nd Annual Conference of Chest Department Assiut Police Hospital from 13-15 February 2019 (speaker)
- 5th Assiut Video Assisted Thoracoscopic Surgery (VATS) workshop 21-22 February 2019
- Workshops of South Valley Egyptian Society of Pulmonology and Allergy (ICU, Imaging, Sleep disorders, and Allergen Immunotherapy) (3,4 March, 2019)
- 3rd Annual Conference of South Valley Egyptian Society of Pulmonology and Allergy (6-9 March, 2019)
- Basic and Advanced Diagnostic Flexible Bronchoscopy Course organized by ESSB in collaboration with Greek working group for Interventional Pulmonology (Greek WGIP) (21,22 March, 2019)
- 60th Annual International Congress of Egyptian Society of Chest Diseases and Tuberculosis (ESCT): Towards Egypt Free from T.B. (2,3 April, 2019)
- 3rd International Congress of Pediatric Pulmonary and Nutritional Disorders held in Tolip Golden Plaza (4,5 April, 2019)
- 8th Annual Conference and workshops of chest department, Assiut University, endorsed by the American College of Chest Physicians (ACCP) and European Association for Bronchology and Interventional Pulmonology (EABIP) as a speaker (19-22 June 2019)

- 4th Annual Conference and Workshop of Respiratory Intensive Care Unit (RICU) "Critical Care Monitoring", held in Tolip Elnarges Hotel, New Cairo (4-6 July, 2019)
- The Oncothoracic International Congress (OnTic) (12-13 september, 2019)
- 18th Regional Annual Assembly of the ESSB (4-6 December, 2019)
- ERS HERMES Self-assessment Course in Cairo (6th December, 2019)
- European Respiratory Society (ERS) International Virtual Congress 2020 (7-9 September, 2020)
- 4th Annual Congress South Valley Egyptian Society of Pulmonology and Allergy (4,5 October, 2020) (8 Credit Hours- CEMTA Accreditaion Number: 202009010039).
- 9th Annual Conference Of Chest Department, Assiut University, endorsed by European Association for Bronchology and Interventional Pulmonology (EABIP) (11-14 November, 2020).
- Broncho-Egypt Workshop organized by ESSB, held at Sofitel Cairo Nile Al-Gezira (19-20 November, 2020).
- Scientific meeting of Society of Respiratory Intensive Care (SRIC): “Pneumonia in Critical Map” (9 April,2021)
- Annual Conference and Workshop of Society of Respiratory Intensive Care (SRIC), “Ideal Ventilation and Oxygenation” held at Grand Nile Tower, Cornish El-Nile, Garden City, Cairo (19-20 August, 2021)
- Broncho-Egypt Workshop organized by Working Group for Interventional Pulmonology (WAGIP- ESSB) in collaboration with Chest Department- Ain Shams University, held at Sofitel Cairo Nile Al-Gezira (1,2 September 2021). Accredited by 14 Credit hours from AACME.
- Onco-Bronchology MDT Conference, held at Sofitel Cairo Nile Al-Gezira (1st September, 2021) Accredited by 6 Credit hours from AACME.
- 62nd Annual International Congress of the Egyptian Society of Chest Diseases and Tuberculosis, held at Royal Maxim Palace Kempinski Hotel, New Cairo. (27-29 October, 2021). Accredited by the European Accreditation Council for Continuing Medical Education (EACCME), by 22 hours European CME Credits (ECMEC).

Other certificates:

- The American Heart Association (AHA) Advanced Cardiovascular Life Support Course (ACLS). Completed 3 March, 2018. Training Center: Operation Smile Inc.
- International Computer Driving License (ICDL) version 4.0 (5/11/2008)
- 47th training course: "preparation of university teacher" held in faculty of Education- Assiut University (1-6 December, 2012)
- Faculty and Leadership Development Center (FLDC) – Assiut University training programs:
 - International Publishing of research (2-4 June, 2012)
 - Student evaluation (4-6 June, 2012)

- Time and conference management (16-18 June, 2012)
- Research team management (19-21 June, 2012)
- Conference organization (23-25 June, 2012)
- Quality standards in teaching (8-9 February, 2014)
- Statistical Analysis in Scientific Research (28-29 February, 2014)
- Effective presentation (13-14 March, 2016)
- Advanced E-Learning (20-21 March, 2016)
- Strategic planning (17-18 April, 2016)
- Analytical and creative thinking (29-30 May, 2016)
- Principles of Statistical Analysis in Scientific Research (22-23 October, 2019)
- Workshops held in Quality Assurance Unit in Faculty of Medicine – Assiut University:
 - International publication (January, 2016)
 - Methods of Assessment (17 February, 2016)
 - Teaching methods (20 February, 2016)
- Diplomatic Training Center Training Courses (Online):
 - Infection Control (8/2020)
 - Medical Quality (9/2020)

Skills:

- 1- Clinical experience in pulmonary medicine from 1/3/2009 till now
- 2- Thoracic ultrasonography
- 3- Thoracic interventions:
 - Thoracocentesis
 - Pleural biopsy
 - US guided tru-cut biopsy
- 4- Bronchoscopy
- 5- Medical Thoracoscopy (under supervision)
- 6- Interpretation of arterial blood gases
- 7- Interpretation of pulmonary function tests: Spirometry, Lung volumes (Body plethysmography) and diffusion.
- 8- Experience in critical care medicine from 2009 till now in respiratory intensive care unit (RICU) of Assiut University Hospital.
- 9- Experience in sleep related breathing disorders. (Sleep lab of chest department- Assiut University)

Society memberships:

- 1- Member of the European Respiratory Society (ERS) since 2012 (ID:248385)

- 2- Enhanced membership in the American College of Chest Physicians (ACCP)
(CHEST ID:2105513)
- 3- The Egyptian society of chest diseases and tuberculosis (ESCT)
- 4- The Egyptian Scientific Society of Bronchology (ESSB)

Publications

- 1- "Effects of sedation on clinical, gasometric, and respiratory muscle parameters in critically ill chronic obstructive pulmonary disease patients", Accepted 2/2019, Egyptian Journal of Bronchology, DOI: 10.4103/ejb.ejb_79_18.
- 2- "Submandibular Salivary Gland Involvement in Granulomatosis with Polyangitis", Accepted 7/2019. Egyptian Journal of Bronchology, DOI: 10.4103/ejb.ejb_15_19
- 3- "No-Sedation in Mechanically Ventilated Chronic Obstructive Pulmonary Disease Patients; A Randomized Controlled Trial", Accepted in the European Respiratory Society (ERS) Congress (Madrid, September 2019) for Poster Discussion.

Community activities:

- Participation in many medical convoys to remote, desert and poor areas
- Participation in community education programs about smoking cessation and air pollution
