

# Curriculum Vitae

## ▪ Personal data:

**Name:** Sara Mohamed Ibrahim Ahmed Awad (Awad SM)

**Birth date:** August, 25<sup>th</sup>, 1979.

**Place of birth:** Assiut, Egypt.

**Nationality:** Egyptian

**Sex:** Female

**Marital status:** Married, has 2 children

**Languages spoken:**

Arabic: Native language

English: (TOFEL test score: 620 paper based test) on May 2010

**Address:** Dermatology department, Assiut University Hospital, Assiut, Egypt  
(Postal code 71516)

**Telephone number:** +201023102094 (mobile), +2-088-241-3911 (work)

**Fax:** +2-088-233-3327

**Email:** saramawad@gmail.com

## ▪ Present occupation:

Professor, Department of Dermatology, Assiut University Hospital, Assiut University, Egypt.

Web of Science ResearcherID: W-6945-2019

ORCID: 0000-0003-0664-6358

## ▪ Academic record:

September 2002	M.B.B.Ch. degree in medicine & surgery, Faculty of medicine, Assiut University, signed up "Excellent with honor" and ranked the 1 <sup>st</sup> among medical students
April 2005	First part of master degree in Dermatology, Venereology and Andrology signed up "Excellent" Studying physiology, biochemistry, pathology, microbiology, psychiatry, internal medicine, and plastic surgery
January 2007	Acceptance of MSc thesis titled "Cryotherapy in dermatology"; supplemented for partial fulfillment of the requirements of master degree in Dermatology
December 2007	Master degree in Dermatology from Assiut University signed up "Excellent"
April 2008	Registration for Doctoral degree in Dermatology, Venereology and Andrology

October 2008	First part of Doctoral degree in Dermatology, Venereology and Andrology studying Research methodology, Statistics, and Ethics in medical research
February 2009	Approval of preliminary protocol for PhD thesis titled "A clinical and immunohistochemical study of different cryosurgical techniques in the treatment of keloids" supplemented for partial fulfillment of the requirements of Doctoral degree in Dermatology.
January 2012	Second part of Doctoral degree examination in Dermatology, Venereology and Andrology from Assiut University
June 2012	Open discussion and Acceptance of PhD thesis titled "A clinical and immunohistochemical study of different cryosurgical techniques in the treatment of keloids" supplemented for partial fulfillment of the requirements of Doctoral degree in Dermatology.
July 2012	Doctoral degree in Dermatology, Venereology and Andrology from Assiut University

▪ **Professional Record:**

March 2003- February 2004	<b>House officer</b> at Assiut University Hospital. I fulfilled training in Gynecology & Obstetrics, General Surgery, Pediatrics, Internal Medicine, Anesthesiology, Traumatology & Casualties Unit, Emergency Unit and Dermatology.
March 2004- February 2007	<b>Resident</b> in Dermatology, Venereology and Andrology Department, Assiut University Hospitals.
March 2007- January 2008	<b>Demonstrator</b> , Dermatology, Venereology and Andrology Department, Assiut University.
January 2008- September 2012	<b>Assistant lecturer</b> of Dermatology, Venereology and Andrology, Assiut University.
October 2012- October 2017	<b>Lecturer</b> of Dermatology, Venereology and Andrology, Assiut University.
November 2017- December 2022	<b>Assistant Professor</b> of Dermatology, Venereology and Andrology, Assiut University.
January 2023 until present	<b>Professor</b> of Dermatology, Venereology and Andrology, Assiut University.

▪ **Teaching and professional duties in Assiut University Hospital**

- Teaching undergraduate medical students of Assiut University clinical rounds and clinical skills.
- Teaching graduate students along the house officer training program at Dermatology department, Assiut University Hospital.
- Helping in the achievement of goals of the residency program of training along the 3 years of residency.

- Helping in the research program held at our department with colleagues and professors.
- Outpatient clinic of Dermatology (dealing with about 150 patients per month)
- Performing chemical peeling and microdermabrasion (for about 30 patients per month)
- Working in laser unit of our department (once a week, dealing with about 50 patients per month)
- Performing and supervision of cryotherapy and fine cautery for skin lesions and diagnostic punch skin biopsy
- Supervision of Phototherapy unit (once a week) for follow up of vitiligo and psoriasis patients receiving PUVA and Narrow band-UVB.
- Establishing and Supervision of “Pemphigus and Pemphigoid Clinic” on July 2024 for management and care of patients with immunobullous skin diseases (dealing with about 15-20 patients per week)
- Establishing Training program for residents and fellowship student on the diagnosis and treatment of patients with immunobullous diseases

#### ▪ **Clinical experience:**

- Diagnosis and management of different dermatologic diseases
- Diathermy and fine cautery for various skin lesions
- Different cryotherapy techniques (including intralesional cryosurgery) and their application in various skin diseases
- Chemical peeling and microdermabrasion
- Microneedling (dermaroller and dermapen)
- Laser application in Dermatology (Erbium YAG, Q-switched Nd YAG lasers, fractional CO2 laser, long pulsed Nd YAG laser, long pulsed Alexandrite laser)
- PRP injection and mesotherapy
- Skin biopsy technique and analysis (punch biopsy)
- Follow up of patients attending phototherapy unit and adjusting their treatment regimens
- Management and Follow up of both outpatients and inpatients of immunobullous skin diseases

#### ▪ **Publications:**

1. **Congenital insensitivity to pain with anhidrosis (CIPA).**A case report.

- 18. Auditory system dysfunction in patients with vitiligo: is it a part of a systemic autoimmune process?**  
Mohamed E, Said E, Sayed D, **Awad S**, Ahmed M  
The Egyptian Journal of Otolaryngology 2017 vol: 33 (3) pp: 594
- 19. Cutaneous JAK Expression in Vitiligo**  
Abdel Motaleb AA, Tawfik YM, El-Mokhtar MA, Elkady S, El-Gazzar AF, ElSayed SK, **Awad SM**.  
J Cutan Med Surg. 2020 Nov 11:1203475420972340.  
doi:10.1177/1203475420972340.
- 20. Activation of Janus kinase signaling pathway in acne lesions**  
**Awad SM**, Tawfik YM, El-Mokhtar MA, El-Gazzar AF, Abdel Motaleb AA. Dermatol Ther. 2021 Jan;34(1):e14563. doi: 10.1111/dth.14563.

- 21. Tailoring of Retinyl Palmitate-Based Ethosomal Hydrogel as a Novel Nanoplatfom for Acne Vulgaris Management: Fabrication, Optimization, and Clinical Evaluation Employing a Split-Face Comparative Study.**  
Salem HF, Kharshoum RM, Awad SM, Ahmed Mostafa M, Abou-Taleb HA. *Int J Nanomedicine*. 2021 Jun 24;16:4251-4276. doi: 10.2147/IJN.S301597.
- 22. Efficacy of combined fractional carbon dioxide laser and topical tazarotene in nail psoriasis treatment: A randomized inpatient left-to-right study.**  
Essa Abd Elazim N, Mahmoud Abdelsalam A, Mohamed Awad S. *J Cosmet Dermatol*. 2021 Oct 19. doi: 10.1111/jocd.14536.
- 23. Serum pentraxin 3 in systemic lupus erythematosus: A potential indicator of cutaneous disease activity.**  
Ismail SA, Awad SM, Gamal RM, Gaber MA, Hussein SM, Hammam N. *Lupus*. 2023 Jun;32(7):873-879.
- 24. Topical Ectoin Versus Topical Dexpanthenol for Managing Acute Radiodermatitis Associated With Breast Cancer Radiotherapy: A Randomized Double-Blind Study.**  
Abd Elazim NE, Awad SM, El-Naggar MS, Mohamed RH. *Dermatitis*. 2023 Nov-Dec;34(6):516-524. doi: 10.1089/derm.2023.0055.
- 25. Does chronic urticaria affect quality of sleep and quality of life?**  
Abdel-Meguid AM, Awad SM, Noaman M, Abdel Gawad AM, Abou-Taleb DAE. *J Public Health Res*. 2024 Apr 17;13(2):22799036241243268. doi: 10.1177/22799036241243268.
- 26. Efficacy of Cryotherapy Combined With Intralesional Purified Protein Derivative (PPD) Versus Intralesional PPD Monotherapy in the Treatment of Multiple Common Warts.**  
Awad SM, Gomaa AS, Hassan HA, Tawfik YM. *J Cutan Med Surg*. 2023 Mar-Apr;27(2):117-125. doi: 10.1177/12034754231152224.

### Conferences and Meetings:

- The Annual Conference of The Egyptian Society of Dermatology and Venereology, November, 2006, Cairo, Egypt (Presenting clinical cases)
- Al-Minya 7<sup>th</sup> Dermatology and Andrology International Conference, 5<sup>th</sup>- 7<sup>th</sup> April, 2007, Al-Minya University, Egypt
- The Annual Conference of The Egyptian Society of Dermatology and Venereology, Jan 2010, Cairo, Egypt (Presenting a lecture)
- Attendance and participation in the symposium "Eye and Skin" in the 12<sup>th</sup> Annual Conference of Upper Egypt Universities, Department of Ophthalmology, December, 2009, Assiut, Egypt.
- Attendance and participation in workshop on "Cutaneous cryosurgery" held by Department of Dermatology, December 2010, Assiut, Egypt.

- The Annual Conference of The Egyptian Society of Dermatology and Venereology, June 2011 Porto Marina, North Coast, Egypt. (Presenting clinical cases)
- The 26<sup>th</sup> Annual Congress of The Egyptian Society of Dermatology and Venereology, Jan 17-19, 2012- Cairo, Egypt
- The 29<sup>th</sup> Annual Scientific Conference Faculty of Medicine, Assiut University, Dec 23-26, 2012
- The 30<sup>th</sup> Annual Congress of The Egyptian Society of Dermatology and Venereology (Derma Egypt 2013), Feb 6-7, 2013- Cairo, Egypt (Presenting a lecture)
- 2<sup>nd</sup> Arab European Congress for Dermatology and Venereology in Association with 28<sup>th</sup> Annual Congress of the Egyptian Society of Dermatology and Venereology & The Egyptian Hair Research Society Jan 16-18, 2014- Cairo, Egypt (Presenting a lecture)
- The 30<sup>th</sup> Annual Scientific Conference Faculty of Medicine, Assiut University, April 26-29, 2014
- The 18<sup>th</sup> World congress of international society of Cryosurgery, Cryo Egypt 2015
- Participation in organization and training in Cosmetic dermatology workshop 2016, Administration Building, Assiut University, Assiut, Egypt, March 23-25, 2016.
- Attendance and participation in Conference of Andrology "Andrological practice in upper Egypt" held by Dermatology, Venereology and Andrology Department Faculty of Medicine-Assiut University In collaboration with the Egyptian Society of Andrology, 20<sup>th</sup> April, 2016, Assiut University, Assiut, Egypt.
- Attendance of 25<sup>th</sup> congress of the European Academy of Dermatology and Venereology 28 Sep- 2 Oct 2016 Vienna, Austria and presentation of 3 Abstracts:
  - Suppression of transforming growth factor-beta1 expression in keloids after cryosurgery.
  - Egyptian Arabic version of the Skindex-16 quality of life questionnaire: cultural adaptation, assessment of reliability and validity
  - Association of serum levels of psoriasin (S100A7) and koebnerisin (S100A15) with subclinical atherosclerosis in psoriasis
- Attendance of Sharm Derma Part II 2016 held at JW Marriott Hotel, from 27<sup>th</sup> – 30<sup>th</sup> October 2016 and oral presentation "Serum levels of IL-12 and IL-23 in psoriatic patients with or without concomitant hepatitis C: a comparative study"
- The Annual conference of Dermatology Department, Assiut University "Dermatology; Science and Art" 12-14 April, 2017 and oral presentation "Suppression of transforming growth factor-beta1 expression in keloids after cryosurgery"
- The Annual conference of Dermatology Department, Assiut University "New Horizons for Dermatological Diseases" 18-20 March, 2018. Presenting a lecture "Laser skin resurfacing"
- Attendance of Sharm Derma Part II 2018 held Intercontinental Citystars Cairo, from 25<sup>th</sup> – 27<sup>th</sup> October 2018 Cairo.
- The Annual conference of Dermatology Department, Assiut University "Dermatology: A global view" 27-28 February 2019.
- Attendance of the 7<sup>th</sup> Arab-European Congress for Dermatology & Venereology held from Mar 22 - 23, 2019 at Hotel Sofitel Cairo Nile El Gezira, Cairo, Egypt Presenting a lecture "Enlarged facial pores: Updates on treatment"
- Attendance of 24<sup>th</sup> World Congress of Dermatology (WCD) in Milan from June 10-15, 2019 and presentation of Abstract: "Cryopeeling versus Trichloroacetic acid peeling in the treatment of solar lentigines: Effect on epidermal Langerhans cells"
- Attendance of Sharm Derma Part II 2019 held at Intercontinental Citystars Cairo, from 24<sup>th</sup> – 26<sup>th</sup> October 2019 Presenting a lecture "Deoderants and Antiperspirants: Myths and Facts"
- Attendance of "28<sup>th</sup> International Conference Of The Egyptian Women's Dermatologic Society (EWDS) held at 12<sup>th</sup> and 13<sup>th</sup> December 2018 in Hilton Cairo, Heliopolis Hotel. Presenting a lecture "Deoderants and Antiperspirants: Myths and Facts".
- The Annual conference of Dermatology Department, Assiut University "What's new in Dermatology and Cosmetology" 26 - 27 Feb, 2020. Presenting a lecture "The role of IL-23 in psoriatic cascade"

- The first scientific day of Upper Egypt society for Dermatology, Venereology and Andrology (UESDAV), 15 Sep, 2021  
Presenting a lecture 'Biologics in dermatology: An overview'
- The Annual conference of Dermatology Department, Assiut University "Assiut Derma 2021" 13-14 Oct, 2021  
Presenting a lecture "How smart phone addiction can affect our skin health"
- The 4<sup>th</sup> Sharm Derma Academy Upper Egypt-Sohag 20-21 Jan, 2022  
Presenting a lecture 'Nail psoriasis: common concepts and new trends'
- The Annual conference of Upper Egypt society for Dermatology, Venereology and Andrology (UESDAV), 9-10 March, 2022 El-Minya  
Presenting a lecture 'Adult female acne: an emerging problem'
- The Annual conference of Dermatology Department, Assiut University "Assiut Derma 2022" Oct, 2022  
Presenting a lecture 'Nail psoriasis: common concepts and new trends'
- Attendance of "31st International Conference Of The Egyptian Women's Dermatologic Society (EWDS) held at 14th and 15th December 2022 in Royal Maxim Palace Kempinski Cairo.  
Presenting a lecture "How smart phone addiction can affect our skin health"
- The 3<sup>rd</sup> TOP Derma Symposium 'Updates on the management of vitiligo' held at Coral 2 hotel Sohag December, 2022  
Presenting a lecture 'May be it's not vitiligo: Clinical mimickers'

#### ▪ **Presentations:**

- Clinical cases and case report presentation at the annual Conference of the Egyptian Society of Dermatology, November, 2006
- Lecture on "Keloids: Pathogenesis and treatment" at The 27<sup>th</sup> Annual Conference of The Egyptian Society of Dermatology and Venereology, Jan, 2010, awarded as the second best lecture among the sharing assistant lecturers.
- Clinical cases presentation at the 28<sup>th</sup> annual Conference of the Egyptian Society of Dermatology, June, 2011.
- Dermatology, Venereology and Andrology Department seminars (Assiut University):
  - Perforating Dermatoses
  - Cryotherapy in Dermatology
  - Histologic stains in Dermatopathology
  - Pathogenesis and treatment of keloids
  - Intralesional cryotherapy
  - Multiple Clinical case presentations from our department
  - Biological therapy in Dermatology
  - Peroxisome proliferator-activated receptor in dermatology
  - Neutrophilic dermatoses
  - Cutaneous vasculitis
  - Palmoplantar keratoderma
  - Management of Adult female acne
- Participation in journal clubs at our department
- Clinical study presentation "Immunohistochemical changes after cryosurgical treatment of keloids" at the 30th Annual Congress of The Egyptian Society of Dermatology and Venereology (Derma Egypt 2013), Feb 6-7, 2013- Cairo, Egypt
- Lecture presentation "Peroxisome proliferator-activated receptor in dermatology". New insights at the 2<sup>nd</sup> Arab European Congress for Dermatology and Venereology in Association with 28<sup>th</sup> Annual Congress of the Egyptian Society of Dermatology and Venereology & The Egyptian Hair Research Society Jan 16-18, 2014- Cairo, Egypt
- Carrying out training courses in the use of cryotherapy in dermatologic diseases

- Clinical study presentation “Suppression of TGF-  $\beta$ 1 expression in keloids after cryosurgery” at the 18th World Congress of the International Society of Cryosurgery CRYO EGYPT 2015, 21st-24th October, 2015.
- Participation in the organization and training in workshop on "Cosmetic Dermatology" held by Department of Dermatology, 23rd-25th March, 2016, Assiut, Egypt.
- Presentation of three Abstract with titles:
  - 1-Egyptian Arabic Version of Skindex-16 quality of life questionnaire: cultural adaptation, assessment of reliability and validity
  - 2-Suppression of TGF- $\beta$ 1 in keloids after cryosurgery
  - 3-Association of serum levels of psoriasin (S100A7) and koebnerisin (S100A15) with subclinical atherosclerosis in psoriasis
 at the **25<sup>th</sup> Congress of the European Academy of Dermatology and Venereology**, held in Vienna, Austria, 28 September-2 October 2016
- Oral presentation “Serum levels of IL-12 and IL-23 in psoriatic patients with or without concomitant hepatitis C: a comparative study” at Sharm Derma Part II 2016 held at JW Marriott Hotel, from 27th – 30th October 2016
- Clinical study presentation “Suppression of TGF-  $\beta$ 1 expression in keloids after cryosurgery” at the Annual conference of Dermatology Department, Assiut University "Dermatology; Science and Art" 12-14 April, 2017.
- Presenting a lecture “Laser skin resurfacing” at the Annual conference of Dermatology Department, Assiut University “New Horizons for Dermatological Diseases” 18-20 March, 2018.
- Presenting a lecture "Enlarged facial pores: Updates on treatment” at the 7th Arab-European Congress for Dermatology & Venereology held from Mar 22 - 23, 2019
- Presentation of Abstract: “Cryopeeling versus Trichloroacetic acid peeling in the treatment of solar lentigines: Effect on epidermal Langerhans cells” at 24th World Congress of Dermatology (WCD) in Milan from June 10-15, 2019
- Presenting a lecture “Deoderants and Antiperspirants: Myths and Facts” At Sharm Derma Part II 2019 held at Intercontinental Citystars Cairo, from 24th – 26th October 2019
- Presenting a lecture “Deoderants and Antiperspirants: Myths and Facts”. At “28th International Conference Of The Egyptian Women's Dermatologic Society (EWDS) held at 12th and 13th December 2018 in Hilton Cairo, Heliopolis Hotel.
- Presenting a lecture “The role of IL-23 in psoriatic cascade” at The Annual conference of Dermatology Department, Assiut University “ What’s new in Dermatology and Cosmetology” 26 - 27 Feb, 2020.
- Presenting a lecture ‘Biologics in dermatology: An overview’ at the first scientific day of Upper Egypt society for Dermatology, Venereology and Andrology (UESDAV), 15 Sep, 2021
- Presenting a lecture “How smart phone addiction can affect our skin health” at the Annual conference of Dermatology Department, Assiut University “Assiut Derma 2021”13-14 Oct, 2021
- Presenting a lecture ‘Nail psoriasis: common concepts and new trends’ at the 4<sup>th</sup> Sharm Derma Academy Upper Egypt-Sohag 20-21 Jan, 2022
- Presenting a lecture ‘Adult female acne: an emerging problem’
- Presenting a lecture ‘Adult female acne: an emerging problem’ at the Annual conference of Upper Egypt society for Dermatology, Venereology and Andrology (UESDAV), 9-10 March, 2022 El-Minya

- **Peer reviews and editorships**

- 22 REVIEWS OF 15 MANUSCRIPTS for the following journals:

Dermatologic Therapy (7)

Journal of Cosmetic Dermatology(5)

Medicine (5)

Journal of the European Academy of Dermatology and Venereology (3)

Skin Pharmacology and Physiology (1)

Archives of Dermatological Research (1)

- Editorial board member for 'Journal of Surgical Dermatology'
- Academic Editor for 'Medicine' journal

▪ **Honors and Awards:**

- Medical School: Assiut University Medal Award in 2004 – Graduation in top 10 of medical school (ranked the 1st among medical students)
- Award of the second best lecture among the sharing assistant lecturers at The 27th Annual Conference of The Egyptian Society of Dermatology and Venereology, January, 2010
