TEACHING EXPERIENCE

- My position as an academic **assistant lecturer**, then as a **lecturer** enabled me to teach Tropical Medicine and Gastroenterology to both undergraduate, residents and postgraduate medical students in Assiut University, Faculty of Medicine, since 2015.
- I used to do 2-3 clinical teaching **morning rounds** on cases in the ward. During these rounds at least 8-15 medical students were attending in each round.
- I was giving lectures and presentations in the **weekly scientific seminars**, since 2015 till 2021
- I presented many talks and presentations in **national and international conferences** and meetings in gastroenterology and hepatology.
