Career objective

Seeking an active and dynamic position where I can use my educational background and deliver the best performance for enhancing the productivity of the organization.

Career and experiences

- **House officer**, Assiut University Hospitals from March 1 st, 2009 till February 28 th, 2010. Passed training as a rotating intern for one year in the following departments:
  - Pediatrics (Assiut pediatrics hospital) for 2 months
  - Gynecology and Obstetrics (Assiut Women health) for 2 months
  - Internal medicine (Aswan educational hospital) for 2 months
  - General surgery (Assiut University Hospital (main building)) for 4 months
  - Emergency medicine (Osem hospital) for 2 months
- **Resident of General Surgery**, Assiut University Hospital March 1st, 2010 till February 28th, 2013.
- **Demonstrator of General Surgery**, Faculty of Medicine, Assiut University from March 1st, 2013 till June 2013 with experience in round skills for medical students as well as working in the department and attending the general surgery clinic and Trauma and Emergency surgery and elective surgery in the major operations sector in our department.

- **Assistant lecturer of general surgery**, from June 1 st, 2013 till September 23 th, 2019. With duties in emergency general surgery as well as involvement in round meetings in the department.
- **Lecturer and consultant of general and colorectal surgery**, from 24 th, September 2019 till 20 th, January 2025. With conduction of lectures and specialized colorectal seminars as well as inclusion in a team for colorectal surgery
- **Associate professor of general & colorectal surgery,** from 21 st, January 2025 till now**.**

Qualifications and academic degrees

- **MD degree in general and colorectal surgery** in August 2019 **(Assiut Faculty of Medicine, Assiut University, Assiut, Egypt).**
- **Colorectal training fellowship (2019-2020): Severance hospital oncology center (Yonsei University), South Korea.**
- **Colorectal observer ship (1/2020 – 3/2020): Song Do hospital, South Korea.**
- **MSc degree in general surgery** in June 2013 **(Assiut Faculty of Medicine, Assiut University, Assiut, Egypt).**
- **M.B.B.C.h**. 2008 **(Assiut Faculty of Medicine, Assiut University, Assiut, Egypt)**

Workshops and Conferences

- (2012, 2013, 2016): attendance of the conference of Egyptian society of hepat-pancreato-biliary surgery (2012 " **speaker**" 2013, 2016 "**audient**").
- (2012, 2013, 2014): attendance of the Egyptian society of surgeons (**audient**).
- (2013, 2014): training course in diagnostic upper and lower endoscopy **(endoscopy unit, Assiut university hospital).**
- (2015): training course in laparoscopic colorectal surgery **(colorectal surgery unit, Alexandria university hospital).**
- (April 2020): **2** posters at the annual meeting of the Korean society of coloproctology, South Korea.
- (2015-2019): attendance of the conference of Egyptian society of colon and rectal surgeons **(audient)**
- (2021,2022, 2023): attendance of the conference of Egyptian society of colon and rectal surgeons **(speaker).**
- (May 2021): workshop in using laser for anal surgeries (sponsored by Biolitic company, Elrahma hospital, Egypt).
- (August 2024, 2025): the annual conference of the Egyptian society of colon & rectal surgeons **(speaker)**
- (April 2025): the annual conference of Cairo colorectal and pelvic floor diseases **(audient)**
- (Aug. 2025): the annual conference of the Egyptian society of colon & rectal surgeons **(speaker)**
- (Aug.2026): the annual conference of the Egyptian society of colon & rectal surgeons **(speaker & chairperson)**

Teaching activities

- 2010: supervision of the house officers since March.
- 2012: supervision of the residents since December.
- 2013: involved in the undergraduate student teaching since March.
- 2019: involved in the undergraduate student teaching course as well as consultations and intra operative teaching for postgraduates.
- 2024-2025: supervisor of the surgery block (teaching and examination) of the 3 rd year.

Clinical experiences

- **House officer**: Assiut University hospital (**1/3/2009 – 28/2/2010**)
- **Resident of general surgery:** Assiut University hospital **(1/3/2010 – 1/3/2013)**

- **Demonstrator of General Surgery:** Faculty of Medicine, Assiut University **(1/3/2013 – 12/8/2013).**
- **Assistant lecturer of general surgery:** Assiut University hospital **(13/8/2013 – 23/9/2019).**
- **Lecturer of general and colorectal surgery:** Assiut University hospital **(24/9/2019 – 20/1/2025).**
- **Associate professor of general and colorectal surgery:** Assiut University hospital **(21/1/2025 till now)**
- During my work as a house officer, as a resident and as an assistant lecturer I gained experience in the following activities:

  (High experience in the following):

  - Minor surgical maneuvers
  - Outpatient clinical management.
  - In patient clinical management.
  - Management of traumatized patient.
  - Emergency surgery in the emergency surgery unit of my department concerned with the reception of cases like intestinal obstruction, acute abdomen in addition to the work at the trauma unit.

  (Elective open surgery):

  - **Hepato-biliary surgery:** Cholecystectomy, exploration of the common bile duct, hepatico- enterostomy
  - **Colorectal surgery:** various types of colectomies, anterior resection, abdomino-perineal resection,
  - **Endocrine surgery:** various types of thyroidectomies, parathyroidectomy,
  - **Breast surgery:** breast biopsies, conservative breast surgery, axillary dissection, Patey's operation and its modifications,
  - **Anorectal surgery:** perianal fistula (low and high), pilonidal sinus, anal stenosis, hemorrhoids, anal fissure,
  - **Oncology Surgery:** Colorectal cancer, ampullary and peri-ampullary tumors, breast cancer, thyroid cancer,
  - **Groin and Ventral hernia operations,**
  - **Others:** splenectomy, mesenteric cyst, resection anastomosis.

  (laparoscopic surgery)

  - Diagnostic laparoscopy.
  - Laparoscopic cholecystectomy
  - Laparoscopic varicocelectomy, Laparoscopic appendectomy
  - Laparoscopic management of undescended testes
  - Laparoscopic hemicolectomy, anterior resection and abdomino-perineal resection
  - Laparoscopic rectopexy

  (assistant in other laparoscopic operations):

  - Laparoscopic fundoplication
  - Laparoscopic sleeve gastrectomy

  (endoscopic procedures):

  - Diagnostic upper endoscopy

- Diagnostic colonoscopy

Courses

- Laparoscopic colorectal resection (animal lab) in Kasr Elainy hospital, Cairo University (LRC center) under supervision of prof. Ahmed Shoukry Hafez in 2019.
- Using laser for anal surgeries at Elrahma hospital, Cairo under supervision of Dr, Mohamed Magdy.
