

## CV

### Personal data:

- λ **Name:** Randa Mahmoud Sobhi Amin
- λ **Nationality:** Egyptian
- λ **Gender:** Female
- λ **Date of birth:** 25th June 1975.
- λ **Social state:** Married
- λ **Childrens:** 1- Daughter, Heba Magdy, 5th Jan 2003  
2- Son, Ahmed Magdy, 28th Oct 2006  
3- Daughter, Hadeel Magdy, 1st Aug 2008

λ Mobile: [00201154006061](tel:00201154006061)

λ Email: [randasobhy2000@yahoo.com](mailto:randasobhy2000@yahoo.com) (best way of contact)

### (2) Education and qualifications:

1st of June 1992	High school certificate	<b>Egypt, El Minia, Samalout</b>
Sep 1992- Sep 1998	MBBCH. (Bachelor's of Medicine) (Very good with honor).	Egypt, Faculty of Medicine, Assiut University
April 2005- March 2008	PhD in Diagnostic pathology	Japan, Chiba University, Graduate school of Medicine, Diagnostic Pathology Department
April 2009	MD in Basic Pathology	Egypt, Cairo University, Pathology Department
	(for equalization of my PhD according to high supreme council in Egypt)	
May 2010	Part 1 FRCPath	UK

### (3) Work experience:

1st of March Internship Egypt,

1999 - 29th of February 2000	(House officer)	Assiut University Hospital
1st of March 2000 to 28th of February 2001	A resident doctor in Cardiology Department	Egypt, Assiut University Hospital
<a href="#">1st of March 2001</a> - 28 June 2009	Demonstrator in Pathology Department	Egypt, Faculty of Medicine, Assiut University
Jan 2002 -March 2008 and from August 2009 - May 2010.	Pathologist at Kameda Medical Center, Anatomic Pathology Department	Japan, Chiba prefecture, Kamogawa City.
29 June 2009-present	Lecturer of Pathology	Egypt, Faculty of Medicine, Assiut University
June 1st 2011- Sep 17th 2013	Histopathology Consultant/ Laboratory Director	Saudia Arabia, Dammam. Security Forces Hospital

#### **(4) Publications:**

Amin RM, Kokubo T, Hiroshima K, Narita M, Itou K, Kuroki M, Tanizawa T, Nakatani Y. Metastatic germ cell tumor of the lung masquerading as primary rhabdomyosarcoma. *Pathol Int.* 2005 Oct;55(10):649-54.

Amin RM, Hiroshima K, Kokubo T, Nishikawa M, Narita M, Kuroki M, Nakatani Y. Risk factors and independent predictors of survival in patients with pulmonary epithelioid haemangioendothelioma. Review of the literature and a case report. *Respirology.* 2006 Nov;11(6):818-25.

Amin RM, Hiroshima K, Miyagi Y, Kokubo T, Hoshi K, Fujisawa T, Nakatani Y.

Role of the PI3K/Akt, mTOR, and STK11/LKB1 pathways in the tumorigenesis of sclerosing

hemangioma of the lung. Pathol Int. 2008 Jan;58(1):38-44.

Amin RM, Hiroshima K, Iyoda A, Hoshi K, Honma K, Kuroki M, Kokubo T, Fujisawa T, Miyagi Y, Nakatani Y.

LKB1 protein expression in neuroendocrine tumors of the lung. Pathol Int. 2008 Feb;58 (2), 84-88.

#### **(5) Membership:**

- Member of International Academy of Cytology 2012-present

#### **(6) Meetings:**

- 1- Meeting of the Japanese Society of Pathology, No. 95th, April 2005, Yokohama, Japan, **poster presentation** titled "Pulmonary metastatic germ cell tumor with rhabdomyosarcomatous differentiation, case report".
- 2- Meeting of the Japan Lung Cancer Society, No 48th, 8th and 9th November 2007, Nagoya, Japan, **poster presentation** No P457 titled "LKB1 protein expression in neuroendocrine tumors of the lung".
- 3- 32nd Ain Shams International Medical Congress, 19-22 March 2009, Cairo, Egypt **oral presentation** "LKB1 protein expression in neuroendocrine tumors of the lung".
- 4- 4th Cytopathology Symposium held by King Saud bin Abdulaziz University for Health Science 17th-19th September 2012.
- 5- International Pathology Symposium 2012 at Prince Sultan Military Medical City, Kingdom of Saudi Arabia, 24-28th Nov 2012.
- 6- **Poster presentation** at Pathology meeting entitled 2nd UPDATE IN LABORATORY MEDICINE, held at King Fahd Hospital of Dammam University, at Al-Khobar, Saudia Arabia, on April 23-24, 2013.  
The Poster title is "Fine needle aspiration of a case of thyroid carcinosarcoma, A case report".
- 7- 30th Annual Conference, Faculty of Medicine, Assiut University, Egypt, 26-29 April 2014.
- 8- 26th European Congress of Pathology, London, United Kingdom, [30 August - 3 September 2014](#) **Two Poster presentation:**
  1. Fine needle aspiration of a case of thyroid carcinosarcoma: A case report
  2. Gastrointestinal stromal tumours in single institution in Egypt, 2004-2013

#### **(7) Proficiency Skills:**

1- I diagnosed over 17,600 biopsy and surgical specimens in Kameda Medical Center, Japan and shared in frozen section diagnosis and cytology for hundreds of cases per year as well as sharing in doing and reporting autopsy for 7 years.

2- I worked in molecular pathology for 3 years in Chiba university during my PhD research study and I did all the research work with myself with minor technician help, so I get good experience in using PCR, gel electrophoresis, DNA purification and DNA sequencing using auto-sequencer.

3- I was responsible for diagnosis all cases of hematopathology in Kameda medical Center for hundreds of cases per year including lymphoma sub-classification, leukemia, and bone marrow aspirate diagnosis.

#### **(8) Courses and workshops:**

1. FRCPath Advanced Histopathology Course 30th Jan-10th Feb 2012, East of England cytology Training Center, Newmarket, Cambridge, United Kingdom.
2. Non- Gynaecological Cytology course in Birmingham Cytology Center United

Kingdom, 13-15th Feb 2012

3. Gynaecological Cytology course in Birmingham Cytology Center, United Kingdom, 16th Feb 2012
4. Non-Gynae and Gynae cytology slide workshop, 20-24 January 2014 at Glan Clwyd Hospital, cytology training Center, Wales, United Kingdom
5. FRCpath part 2 slide workshop in Manchester, United Kingdom, 25th-28th January 2014.
6. FRCPath part 2 slide workshop for Histopathology and Cytopathology 29th-31st January 2014 at The Princess Alexandra Hospital Harlow Essex, United Kingdom.

**(9) Lectures and training programs**

1. Laboratory Quality Day Course 10th October 2011, Al Khobar ,KSA.
2. Fire Emergency Plan, held [December 31](#), 2011- January11, 2012at SFHD.
3. Emergency Evacuation Program, held February 14-18, 2012 at SFHD.
4. Attending lecture titled “Effective communication for the upper Management, held April 27, 2013 at SFHD”.
5. Infection Control Awareness Lecture, held in Security Forces Hospital- Dammam on 21 May 2012.
6. Hand Hygiene: Lecture and Workshop, held in Security Forces Hospital- Dammam on 17 October 2012.
7. Quality Concept- FOCUS PDCA & Quality Improvement Tools, held December 31, 2012 at SFHD.
8. Hand Hygiene – World Quality Month, held October 17, 2012 at SFHD.
9. Infection Control – World Quality Month, held October 16, 2012 at SFHD.
10. Anesthesia Risk Management – World Quality Month, held October 20, 2012 at SFHD.
11. Medication Safety- World Quality Month, held October 14, 2012 at SFHD.
12. World Quality Month, held October 10, 2012 at SFHD.
13. Attendance and participation in CBAHI Lunch Retreat, held September 03, 2012 at Sunset Beach Resort, Al- khobar, Kingdom of Saudi Arabia.
14. Passed training program “Effective presentation Skills in the patterns of teaching and learning” 15 hours, 26&29th April 2014, Faculty of Leadership Development Center, Assiut University.
15. Passed Training Program “Research Ethics”, 15 hours, 17-18th May 2014 at Faculty of Leadership Development Center, Assiut University, Egypt.
16. Passed Training Program “University Administration”, 15 hours 13-14th May 2104 at Faculty of Leadership Development Center, Assiut University, Egypt.
17. Passed Training Program “Research team management”, 15 hours 7-9th June 2104 at Faculty of Leadership Development Center, Assiut University, Egypt.
18. Passed Training Program “Research writing skills”, 15 hours 21-22th June 2104 at Faculty of Leadership Development Center, Assiut University, Egypt.

**(10) Current researches:**

- 1- Studying all cases of Gastrointestinal stromal tumors in Assiut University Hospital during 2004-2013 both by Immunohistochemistry and by molecular studies.
- 2- Studying the cases of Rhinoscleroma in our University Hospital to improve the diagnosing tools.

**(11) Career objectives:**

- λ Upgrading my experience in the fields of surgical pathology, molecular pathology, Forensic Pathology, and Cytopathology.

**(12) Study ready for submission:**

- Idiopathic sclerosing inflammation of the orbit: A case report with emphasis on its membership to IgG4-related systemic fibrosclerosing disease.

**Authors:**

Randa Mahmoud Sobhi Amin<sup>1,3</sup>, Yoko Yonemori<sup>1</sup>, Kenzo Hiroshima<sup>1</sup>, Tohru Tanizawa<sup>1</sup>,  
Ryosuke Nakamura<sup>2</sup>, Shuichi Ymamamoto<sup>2</sup> and Yukio Nakatani<sup>1</sup>

<sup>1</sup>Department of Diagnostic Pathology, Chiba University Graduate School of Medicine, and

<sup>2</sup>Department of ophthalmology, Chiba University Hospital, and <sup>3</sup>Department of Pathology, Kameda Medical Center, Kamogawa, Chiba, Japan.

**(13) Study underway:**

- Sclerosing Hemangioma of the lung: Review article.
