Education and Training:

-August 1997 finish secondary /high school education.

-September /1997 to September / 2003 student in faculty of Medicine, Assiut University, Assiut, Egypt.

- March/ 2004 to February/ 2005: Internship program in Assiut University Hospital, Assiut University, Egypt.
- March/2005–November/2005: Neurosurgery Resident in Neurosurgery Department, Faculty of Medicine, Assiut university, Assiut , Egypt.
- December/2005 to November/ 2006: military service, neurosurgery resident in El Maadi military hospital (one-year military service).
- December/ 2006 to February/ 2008: return to complete residency in Neurosurgery department, Assiut University, Assiut, Egypt.
- March/ 2008 – May/ 2014: Assistant Lecturer of neurosurgery in Neurosurgery department, Faculty of Medicine, Assiut University, Egypt.
- January/ 2011 to December/ 2011: Research fellow in Neurosurgery department, Ohio State University, Columbus, Ohio, USA.
- January/ 2012 – January/ 2013: Research fellow in Department of Neurosurgery, Allegheny General Hospital, Drexel University College of Medicine, Pittsburgh, Pa. USA.
- February 2013 – May 2014: Return back to Egypt as Assistant Lecturer of neurosurgery in Neurosurgery department, Faculty of Medicine, Assiut University, Egypt.
- June/ 2014 – present: Lecturer of Neurosurgery in Neurosurgery Department, Faculty of Medicine, Assiut University, Egypt.

Qualifications:

- M.D. in Neurosurgery (2014).
Title of Thesis is " ENDOSCOPIC TRANSSPHENOIDAL APPROACH FOR EXCISION OF SELLAR AND SUPRASELLAR TUMORS",
 - M.Sc. in Neurosurgery (2008)
Title of the essay is "Surgery for parkinsonian disease",
 - M.B.B.Ch. of Medicine and General Surgery, (2003)
Faculty of medicine, Assiut University.
-

Summary of duties:

- Responsible for management of patients in the Department of Neurosurgery: attending out-patient clinic, admission of patients, preoperative preparation, assisting in operative management and postoperative care, assisting in stereotactic operations with follow up of patients in ICU, head trauma unit.

Operative skills:

- Brain tumor excision with different approaches, gliomas, meningiomas, sellar and suprasellar tumors, posterior fossa tumors, intraventricular tumors.
 - Main surgeon in all types of head trauma surgery: extradural, subdural, and intracerebral hematoma evacuation, skull fractures, firearm injury, post-traumatic cranioplasty, and decompression craniectomy.
 - Stereotactic surgery, brain abscess surgery, micro vascular decompression in trigeminal neuralgia.
 - Spinal disc herniation surgery, spinal cord tumors excision, epidural hematoma in the spine, infections.
 - Pediatric neurosurgery: hydrocephalus, myelomeningocele, craniosynostosis, encephalocele (occipital, cervical, and frontoethmoidal).
 - Endoscopic skull base surgery via a transnasal approach to many kinds of skull base tumors for excision (pituitary adenoma, craniopharyngioma, Rathke's cleft cyst, endonasal repair of CSF leak).
 - Endoscopic cranial surgery for ventricular abnormalities (third ventriculostomy, colloid cyst excision, septostomy, cyst fenestration).
 - Creation of the Endoscopic neurosurgery unit in Assiut university hospital.
-

Academic Experience:

- Regular meetings and conferences were attended and arranged.
 - Teaching of Medical students with regular rounds, lectures preparation and regular clinical training supervision.
 - Teaching medical students, postgraduates (residents and assistant lectures) and high nurses in regular weekly lectures, ward rounds, seminars and operative room teaching.
 - Create and organize the international upper Egypt Neurosurgery conferences 2015, 2017 and 2019.
 - A board member and treasurer of Egyptian society of Neurosurgery since January 2017 till now.
-

Conferences and Activities:

- 2nd Assiut Neurosurgical Conference 2005.
- Alexandria neurosurgical conference 2008
- Basic course of endoscopy in neurosurgery 2009
- International 35 annual meeting of the Egyptian society of neurological surgeons in collaboration with AANS/CNS 2010.
- American Association of neurosurgeons Annual meeting in March 2012, Miami, Florida, USA.
- American Academy of Neurosurgery annual meeting in Cape code, Boston, USA. (Attendance and paper presentation).
- International annual meeting of the Egyptian society of neurological surgeons 2015. Hergada, Egypt.
- International annual meeting of the Egyptian society of neurological surgeons 2017, cairo, Egypt.
- International annual meeting of the Egyptian society of neurological surgeons 2018, cairo, Egypt.
- International annual meeting of the Egyptian society of neurological surgeons 2019. Cairo, Egypt.

- Resident course in head and spine trauma. Pittsburgh, PA. USA. 2012.
 - Resident course in vascular neurosurgery and surgical revascularization, Florida, USA, 2012.
 - Alleghany General Hospital Annual course in Skull base surgery, endoscopic neurosurgery. Pittsburgh, PA, USA, 2012.
 - Main organizer of the upper Egypt international Neurosurgical conference 2016, 2017 and 2019.
-

Languages and IT Experience:

- Arabic – English.
 - Advanced Computer skills.
Have ICDL. Certificate.
-

Other Activities:

- Reading and listening to classic music.
 - Playing tennis.
 - Traveling and site seeing.
 - Watching movies.
-
