- Panel moderation in student session of the annual conference of our Faculty.
- Participation in organization of fund raising, charity events and blood donation campaigns for cancer patients treated in South Egypt Cancer Institute.

2. Postgraduate activities:

- Participating as National Faculty, AO Trauma Basic Principles of Fracture Management, Assiut, Egypt, March 2018.
- Organizing the 3rd Annual Subspecialities Meeting for Assiut Orthopaedics Department, March 2018.
- Participating as National Faculty, AO Trauma Basic Principles of Fracture Management, Cairo, Egypt, July 2017.
- Participating in the 3rd International Pelvis and Hip Society Meeting,

Alexandria, Egypt, May 2017.

- Participating as Faculty in Ein Shams Basic Hip Course, Cairo, April 2017.
- Organizing the 2nd Annual Subspecialities Meeting for Assiut Orthopaedics Department, 2017.
- Attending as Faculty, The 5th International Congress for Joint Reconstruction, ICJR Middle East, Dubai, November 2016.
- Organizing the 1st Assiut Cadaveric Hip Arthroscopy and Arthroplasty Course, Assiut, Egypt, October 2016.
- Participating as National Faculty, AO Trauma Advanced Principles of Fracture Management, Cairo, May 2016.
- Participating as Faculty in Basic Kasr Alainy Hip Replacement Course, Cairo, February 2016.
- Organizing the 1st Annual Subspecialities Meeting for Assiut Orthopaedics Department, 2016.
- Participating as International Speaker, Combined Meeting of British and Italian Hip Society, Milan, Italy, November 2015.
- Attending the Implantcast, GMBH, academic workshop on small joints and hip revision system MUTARS, Buxtehude, Germany, October 2015.
- Participating as Speaker in The 1st International Pelvis and Hip Society Meeting, Alexandria, Egypt, May 2015.
- Participating as Facult, Alkasr Alainy, Understanding Complex Hip Pathology, Cairo, April 2015.
- Participating as Faculty Speaker in Saudi German Hospital Orthopedic Symposium, Arthroscopy and Arthroplasty, Jeddah, May 2014.
- Participating in the 66th Annual International Conference of Egyptian Orthopedics Association, Cairo, December 2014.
- Participating as Speaker, in the AO Fragility Fractures and Orthogeriatrics seminar, Cairo, November 2014.
- Attending ICJR Middle East in Egypt, Cadaveric Revision Knee Arthroplasty, September 2014.
- Attending the SICOT world congress in Prague, Czech Republic, 2011
- Completion of a training fellowship for 6 months in König Ludwig Haus -

Orthopaedic Klinik in Würzburg – Germany from March till September 2011.

- Attending the International Course on Revision Hip Arthroplasty, Alexandria, Egypt, 2010
- Attending the official AO advances in trauma management course, Cairo, Egypt 2009.
- Attending the First International Intelligent Hip Meeting, Cairo, Egypt, 2009
- Attending the Ilizarov Course, Assiut, Egypt, 2008.
- Attending the Annual International Congress of the Egyptian Orthopaedic Association (EOA), Cairo, Egypt, 2006, 2008 ,2009, 2010 & 2011
- Attending the British Trauma Course, Cairo, Egypt, 2007.
- Attending the 2nd International Hip Resurfacing Training Course, Alexandria, Egypt, 2007.

Duties (2010- currently):

- Teaching clinical rounds to undergraduate 6th year medical students of Assiut University.
- Training of graduate students along the house officer- training program at our department.
- Assisting in the resident training program along the 3 years of residency.
- Assisting in the research program held at our department with colleagues and professors.
- 24 hours on-call duties (twice a week) in emergency and traumatology unit; and in our department in Assiut University Hospital.
- Outpatient clinic of Orthopaedic surgery.
- Performing different types of Orthopaedic and Trauma operations, ranking from minor to major.
- Editor and moderator of the Journal club of our department and postgraduate teaching.

Clinical experience :

Orthopaedics:

- 1- All primary and advanced skills concerning diagnosis and management of orthopaedic emergencies.
- 2- Performing conventional orthopaedic operations including: lumbar discectomy, osteotomies, hip and knee arthroplasties, soft tissue operations and others.
- 3- Assisting in major operations, including: Anterior decompression of dorsolumbar Pott's disease, anterior discectomy of cervical disc, posterior laminectomy of multiple cervical discs, posterolateral fusion for spondylolisthesis, revision hip and knee arthroplasties and others.
- 4- Performing emergency orthopaedic surgeries, such as septic hip drainage and septic knee drainage.

Traumatology:

- 1- Performing most of internal fixation operations including: humerus, radius and ulna, transpedicular screws in fractures of dorsolumbar spine, fractures of the proximal femur (fractures of the neck, trochanter and subtrochanteric fractures), fractures of the shaft of the femur and tibia (using plates or interlocking nails), fractures of the distal femur, fractures of the upper tibia, fractures of the ankle and distal tibia, posterior plating of the acetabulum.
- 2- Performing soft tissue repair operations, nerve exploration and repair, repair of cut tendons and others.
- 3- Performing external fixation operations in major open fractures.
- 4- Assisting in major operations for fracture stabilization, such as: fractures of the pelvis and sacrum.

Areas of interest :

- Arthroplasty of the hip.
- Arthroplasty of the knee.
- Revision Arthroplasty.
- Trauma surgery.
- Spine Surgery.

Publications:

- Good Results by Revision for Hip Pain Following Unipolar Hemiarthroplasty with Long Stem Cementless Total Hip Arthroplasty HB Mohamed Mahran, Usama Farghaly Omar, Mohamed Kamal Abdelnasser, Mahmoud Badran Journal of Orthopaedics and Skeletal Medicine 2 (1)
- Hip arthrodesis for arthritic hip in children and young adults AE Mohamed Mahran, Usama Farghaly Omar, Department of Orthopaedics, Assiut ...Al-Azhar Assiut Medical Journal 13
- Two stage revision after infection for hip hemi and total arthroplasty, 2013, Thesis for Ph.D. degree, Faculty of Medicine, Assiut University, Egypt.
- Total Hip Arthroplasty for Fused Hips. Ahmed Abdel-Aal, MD; Hatem Bakr, MD; Mohamad Mahran, MD. ORTHOPEDICS. 2010 :June;1
- Surface Hip Replacement, Essay for M.Sc. degree, Assiut University, Egypt, 2007
