 Egyptian Ministry of Health and Syndicate of Egyptian Physicians, no. 181081

**Clinical Training:**

Assiut University Hospital ([http://www.aun.edu.eg/fac\\_med/medicin/Hospital2.htm](http://www.aun.edu.eg/fac_med/medicin/Hospital2.htm)) is one of the biggest University Hospitals in Egypt. It is the core referral center for the whole Upper Egypt that serves about twenty million people. The hospital contains 2027 beds, including 94 ICU beds, and 46 operative theaters in which 240 operations are performed daily. 1478 medical and 6428 paramedical staff serving in this hospital. 3000 patients visit the outpatient clinics and 1000 are received in the emergency departments daily. The department of Otorhinolaryngology contains 40 beds.

Through my training in this institution, I gained wide-ranging clinical experience including:

**Skilled at:****Clinics and in-patient management:**

- General Otorhinolaryngology outpatient clinic and inpatient care.
- Endoscopic sinus surgery clinic and inpatient.

**Otorhinolaryngologic emergencies:**

- Urgent tracheostomy
- Dealing with nasal fractures and other effects of nasal trauma.
- Removal of foreign bodies in the nose, ear, pharynx and esophagus.
- Management of bleeding after adeno-tonsillectomy.

- Management of severe epistaxis.

#### **Surgical procedures:**

- Endonasal endoscopic orbital decompression
- CSF fistula repair
- Endonasal endoscopic management of choanal atresia
- Endoscopic sphenopalatine artery cauterization for recurrent severe epistaxis
- Basic endoscopic sinus surgery
- Reduction of the size of inferior nasal turbinate (by different methods)
- Endoscopic septal correction
- Microlaryngophonosurgery
- Rigid hypopharyngoscopy and oesophagoscopy
- Myringotomy (with or without ventilation tube application)
- Myringoplasty
- Adeno-tonsillectomy

#### **Moderately skilled at:**

##### **Surgical procedures:**

- Endonasal endoscopic trans-sphenoidal removal of sellar lesions
- Endonasal endoscopic removal of JNA (Juvenile Nasopharyngeal Angiofibroma)
- Endonasal endoscopic removal of malignant sinonasal tumors

#### **Membership:**

- **Egyptian Oto-rhino-laryngological Society** ([www.orlegypt.org](http://www.orlegypt.org)) 2010
- **Pan Arab Rhinologic Society (PARS)** ([www.parsarabrhinology.com](http://www.parsarabrhinology.com)) 2012
- **European Rhinologic Society** (<http://www.europeanrhinologicsociety.org>) 2012

#### **Publications:**

- **2014: The making of an endoscopic sinus surgeon: Place yourself at the feet of the greats;** The Egyptian Journal of Otolaryngology 2014, 30:182.
