Involved in undergraduate student teaching since December, 2014.

- 1) Assiut University was inaugurated in 1957 to encourage research, education and community services in Upper Egypt. It is located in Assiut City, which is 375 Km south of Cairo; the capital. The university comprises sixteen faculties and two higher institutions. PO Code No. 71515, Egypt. <http://www.aun.edu.eg>.
- 2) Assiut University Hospital is one of the biggest University Hospitals in Egypt. It is the core referral center for the whole Upper Egypt that serves about twenty million people. The hospital contains about 3000 beds. 1634 medical and 6580 paramedical staff serve in this hospital. <http://www.aun.edu.eg/hospitals/>.
- 3) Assiut Urology and Nephrology Hospital was established since 2012. Actually, it is the continuation of urology department, which is serving patients since 1970s. Our newly established hospital contains 200 beds for patients, in addition to intensive care unit and renal transplantation unit (under construction). Our out-patient clinic serves more than 200 patients with more than 60 operations performed per the week
