TEACHING EXPERIENCE

September 2011

Assistant Lecturer in orthopaedics and traumatology, Assiut University Hospitals, Assiut, Egypt.

Responsibility was assumed for teaching both house officers and postgraduate students. Teaching to undergraduate medical students was divided into small groups ward round teaching sessions, outpatient clinic teaching sessions and primary health care unit teaching sessions. Teaching to postgraduates at house officer level was focused on tutorials and operative demonstration as well as supervision of operative sessions by juniors. Additional duties included supervision and assistance of MSc students in the conduct of research work.

March 2008 – Feb. 2011

Clinical Instructor for orthopaedics and traumatology , Assiut University Hospitals , Assiut, Egypt

Responsibility was assumed for teaching of house officer students (7th year) in most aspects of surgery. This teaching was conducted in the form of regular tutorials to small groups.
