

Name : First Aly **Middle** Abd El-Hameed **Surname**
Othman

Position : Assist.Prof .,of Solid State Physics

Date &Place of birth : 7/10/1950 El-minia

Gender : Male

Phone : 002088/322167

E-mail: aaelho@yahoo.com **Or:** aaelho@aun.edu.eg

Academic Qualifications

Degree	Date	University (name& location)	Specialization
Ph.D.	1985	Krakow Poland	Radiation Physics
M.Sc.	1978	Assiut Univ.,	Radiation detection
B.Sc.	1973	Assiut Univ.,	Special degree(Phys.)

Fields of interest :

Solid State (Radiation effects in Solids), thin films

Membership of professional organizations :

Mathematical and Physical Society of Egypt

Egyptian Socity of Solid State Physics

Experiences :

Construction of Gas Detectors

Preparation and characterization of amorphous glasses and thin films

Recent published materials:

1-Glass transition and crystallization Kinetic Studies in Mg₀-10 As_{0.34} Se_{0.56} chalcogenide glass by using non-isothermal techniques : in physica B311 (2002) 356-365

2- Photo – induced optical changes in amorphous Ga S thin films in : Radiation physics and Chemistry 61 (2001) 563 – 565 .
