

Name: First Hossam Eldin **Middle** Mohammed **Surname** Wahid

Position : Ass. Prof. of Physics . Faculty of Science

Date & Place of birth : 28/12/1953 El-Minia

Gender : Male

Phone : 002088/328684 & 0105708083

E-Mail : hmwahid@yahoo.com

Academic Qualifications

Degree	Date	University (name&location)	Specialization
Ph.D.	1988	Odessa State Univ. Ukraine	Optics
M.Sc.	1980	<i>Assiut Univ. Egypt</i>	Radiation Physics
B.Sc.	1975	Assiut Univ. Egypt	Special Physics

Fields of interest :

Molecular Physics, Optics, Rayleigh Light Scattering,

Laser Physics, Radiation Physics, Crown-ethers.

Membership of professional organizations :

Egyptian Scientific professional organization, American Association for the Advancement of Science (AAAS),

Experiences :

Teaching Post Graduate and Under Graduate Courses.

Supervision of M.Sc. degrees of Physics.

Establishing of Post Graduate Research and Under Graduate Labs.

Translating Physics Books.

Scientific and other awards :

1. Soliman Hozaen Prize for Scientific distinction . Assiut University (1993).
2. Best Article Prize in Physics (1994).

Recent published materials :

Molecular Scattering of Light in Pure Liquids j. Optics (Paris) 1996.

Light Scattering from Binary Liquid Systems. J. Optics (Paris) 1996.
