

✿ Personal Information:

Full Name :	Mostafa Mohamed Kamal M. Ali	
Faculty	Faculty of Science	
Affiliations	Assiut University	
Department	Chemistry	
Present Position	President of Assiut University	
Gender	Married with three Children	
Date of Birth	7/1/1953	
Place of Birth	Beni Mazar, Minia, Egypt.	
Residence Address	Eastern Staff Members Housings Building C, Assiut - Egypt.	
Office Telephone:	+2 (088) 2357007 / +2 (088) 2357557	
Office Fax:	+2 (088) 2354130	
Mobile Phone:	+2 (012) 3971293	
Email:	mostafak@aun.edu.eg mostafak2006@hotmail.com	
University ID :	71515	
Hobbies:	Reading, music, Travel, and sports.	
Skills:	Using IT for teaching. Ability to adapt well to changes. Ability to handle and work under stress. Assertive and quick learner. Excellent attuned. Good Managerial with organizational and Communication skills. Trustworthy. Sense of humor. Valued employee at every job.	
Military service:	Completed Military service	

✿ **Education:**

1	Name	BACHELOR'S DEGREE B.SC
	School/University	Assiut University
	Faculty	Science
	City	Assiut
	Country	Egypt
	Specialization	Chemistry
	Finished Date	1974
2	Name	MASTER'S DEGREE M.SC
	School/University	Assiut University
	Faculty	Science
	City	Assiut
	Country	Egypt
	Specialization	Chemistry
	Finished Date	Oct. 1977.
3	Name	DOCTORATE DEGREE PH.D
	School/University	Assiut University
	Faculty	Science
	City	Assiut
	Country	Egypt
	Specialization	Chemistry
	Finished Date	Oct. 1981.

✿ Academic and Administrative Positions:

<p>☞ Demonstrator, Dept of Chemistry Faculty of Science, Assiut Univ. as of 12/10/1974.</p>
<p>☞ Assistant Lecturer, Dept of Chemistry, Faculty of Science, Assiut Univ. as of 21/12/1977.</p>
<p>☞ Lecturer, Dept of Chemistry, Faculty of Science, Assiut University as of 13/12/1981.</p>
<p>☞ Associate Professor of Chemistry, Assiut University as of 14/12/1986.</p>
<p>☞ Professor of Chemistry, Dept of Chemistry, Assiut University as of 12/1/1992.</p>
<p>☞ Supervisor of Nuclear Absorption Unit, Central Lab for Analyses and measurements, Assiut Univ. as of 20/11/2000.</p>
<p>☞ Supervisor of Chemistry Section, Sugar technology Research Institute, Assiut Univ. from 1/2/2003 to Nov, 2003.</p>
<p>☞ Vice-Dean for student Affairs and Education, Faculty of Science, Assiut University From 14/10/2003 to 1/11/2004.</p>
<p>☞ Dean of Faculty of science, Assiut University 2/11/2004 to 31/7/2006.</p>
<p>☞ President of Sohag University from 1/8/2006 to 10/6/2008.</p>
<p>☞ President of Assiut University as of 11/6/2008 until Now.</p>

✿ Supervision of Graduate Students:

B.SC degrees:

<p>☞ Polar graphic and Voltammetric Studies on some Nucleic Acid Components.</p>
<p>☞ Electro analytical Studies on Xanthine Nucleoside and Nucleotides at charged Interfaces</p>

∩ Voltametric Studies on Flavin Mono and Di-Nucleotides.

∩ Electroanalytical Studies on Some Fluoroquinolones Compounds at Charged Interfaces

PH.D Degrees:

∩ Spectoral and Polarographic Studies on some Transition Metal Complexes of Sulphur – Nitrogen Containing Li Gands

∩ Electrochemical Studies on Some Thiopurine and Thiopyrimidine Derivatives at the Mercury Electrode

∩ Electrochemical Studies on Some Biological Compounds at Charged Interfaces.

∩ Electrochemical Studies on Some Beta Lactam Compounds at Charged Interfaces

*** Sample of Recent Published Papers in Refereed International Journals**

Prof. Kamal Published more than (92) articles most of which appeared in world Journals of specific professional mettle. The articles cover research work on the Physics, Chemistry, and Analytics of a number of important bio-organic compounds such as (DNA, RNA, Antibiotics, drays, and insecticides)

∩ Comparison of the voltammetric studies at mercury and glassy carbon electrodes for the interaction of lumichrome with DNA and analytical applications, M.S.Ibrahim, M.M.Kamal, Y.M.Temer, Analytical Biochemistry, volume 375.Number 8, April, 2003.

∩ Spectrophotometer metric studies of the coordination polymers based on poly(8-Hydroxyquinoline) Matrix, Seddique M.Ahmede, Mohamed M.hahata, Mostafa M.Kamal, Journal of Inorganic and Organ metallic polymers, volume 13,number 3, September, 2003.

∩ Differential Pulse Polarographic determination of poly (8-hydroxyquinoline)in the presence and absence of an insulating

(vinyl alcohol)matrix, Mostafa M.Kamal, Seddique M.Ahmed, Mohamed M. Shahata, Yassien M. Temerk, Analytical and Bioanalytical Chemistry , volume 372, number 7-8, April ,2002.
∞ Synthesis ,cyclic voltammetry, and UV-Vis studies of ferrocene-dithiafulvalenes as anticipated electron-donor materials, Abdelwareth A.O.Sarhan, Mohamed S. Ibrahim, Mostafa M. Kamal, Kaiko Mitobe and Taeko Izumi, Monatshefte FUR Chemie / Chemical, Monthly, volume, 140. number 3, March, 2009.
∞ Enhanced radiation from foam burners operating with a nonpremixed flame, M.M.Kamal, A.A.Mohamed, Combustion and flame, volume 140, pages 233-248 , February 2005.
∞ Voltametric determination of the insecticide in soil and water, S.Ibrahim, K.M. Al-Magboul, M.M.Kamal, Analytical Chimica Acta, volume 432, issue 1, 22 March 2001, pages 21-26, 28 February 2001.

✿ **Teaching Experience:**

∞ Prof.Kamal taught theoretical as well applied curriculums in the field of General Chemistry, analytical Chemistry, and advanced analytical Chemistry, to the Bachelor students of Faculty of Science, Assiut University, United Arab of Emirates, and Calgary University.
∞ Curriculums of Advanced Analytical Chemistry, and Environmental Analytical Chemistry to the Master Students in Faculty of Science, Assiut University and United Arab of Emirates.

✿ **Funded Research Projects**

1	Project Title	Conduct Research in the field of BIO-Electric Chemistry
	Funding Organization	UAE Scientific Research Fund
	Fund Value	20,000 (twenty thousand – ED).
	Date	1997

2	Project Title	Establishing multi-media Center at faculty of Science ,Assiut University
	Funding Organization	Fund of Higher Education Enhancement SCU.
	Fund Value	85,000 (Eighty five thousand American Dollars)
	Date	2004

✿ **Missions and Scholarships:**

<p>↯ Academic Mission in Calgary Univ, Canada from 27/9/1988 to 29/12/1989.</p>
<p>↯ Visiting Professor, Torko Abu Univ, Finland 1986.</p>
<p>↯ Visit to Toronto Univ, Italy to participate in a Ph.D. examination, 2005.</p>
<p>↯ Visit to Johanz Joter Myern, Germany from (7- 12 July,2008).</p>
<p>↯ Visit to Vienna University of Technology, Vienna, Austria from(24-29June2009).</p>

✿ **Scientific Conferences and Workshops:**

Prof.Kamal participated and attended a lot of conferences, seminars as well as workshops either nationally or internationally:

• **National Conferences :**

<p>↯ Aswan Chemical Conference (28-31 Jan, 1991).</p>
<p>↯ Third International Conference on Electric Chemistry, South Valley University (13-15 Feb, 2001).</p>
<p>↯ International Conference on the role of the Arab Organization in the Sugar economics, Luxor (18-21 Feb, 2001).</p>

- ⌘ Eighth International Conference of Sugar Technology Research Industry Institute Assiut Univ, Luxor,(16-19 Feb,2002).
- ⌘ International Conference on Sugar Industry, Alexandria (3-6 April,2005).
- ⌘ Fifth International Conference in Electrical Chemistry, South Valley Univ, Luxor (13-16 Feb, 2006).
- ⌘ Workshops in the Field of TOT, FLDP, Supreme Council of Universities,Cairo.Egypt

- **International Conferences:**

- ⌘ Scientific Conference for Bio-Electric Chemistry, West Germany (18-22, July1983).
- ⌘ Scientific Conference for Bio-Electric Chemistry, Italy (26-30 June, 1985).
- ⌘ Scientific Conference on Electric Analytical Chemistry (6-9 June, 1988).
- ⌘ Fifteenth International Conference on Solid State Chemistry, Germany 29/7/2001 to 3/8/2001.
- ⌘ General Conference of the Arabian Universities Union, Kuwait university, Kuwait (8-10 March 2009).
- ⌘ (Fourth Saudi Science Conference,)Taiba University, K.S.A, (21-22 March, 2010).
- ⌘ (Assiut University on the road to quality assurance and accreditation)K.S.A, Om Al-Qura University,(23-24 March,2010).
- ⌘ (Economics & Management of Water in the Arab and African World)Moscow, from 3-6 June, 2010).

- **National Workshops:**

- ⌘ A workshop in the fields of Substances and Sciences, Radio and medical Physics, Assiut Univ.
- ⌘ Workshop and a tanning course, West Germany, field: Volta metrical Analysis of Biological Compounds – 1983.
- ⌘ Workshop, preparation of University Leadership, FLDP, Guest House, Cairo Univ. in October 2005.

- **International Workshops:**

- ⌘ Workshop – training course, West Germany from 25/6/1983 to 15/7/1983.

- **Activities of Higher Education Enhancement:**

- **Nationally:**

- ⌘ Established the center for educational media in the Faculty of Science, Assiut Univ., funded by (HEEP).
- ⌘ Supervision of Quality Assurance projects, Faculty of Science, Assiut Univ.
- ⌘ Participation in the Quality Assurance projects, Faculty of Education, Assiut Univ.
- ⌘ Participation, supervision and execution of HEEP projects, Faculty of Science.
- ⌘ Assiut Univ. Superiors of the FLDP projects.
- ⌘ Participation and Supervision of the development of Faculty bylaws for graduate and undergraduate studies at the faculties of Science and Education.

- **Internationally:**

- ⌘ Participation in FLDP project in the University of the UAE.

✿ **Secondments:**

↷ Seconded to the U.A.E. University from 29/8/1991 to 31/8/1992.

↷ Seconded to the U.A.E. University from 1/9/1994 to 31/8/2000.

✿ **Experience in the Use of Education Technology:**

Prof.Kamal Participated in a lot of Training Courses to the staff members of faculty of Science, education and Pharmacy on the use of computers in the following areas:

↷ Use of Computer in the educational process.

↷ Presentation via multi-media.

↷ Use of the Internet in the educational process.

↷ Preparation of e-courses theoretical and practical lessons.

↷ Preparation of some courses by using Audio / Video system.

↷ Preparation of biological and geological slices in an electronic form.

↷ Participation in courses of electronic publication and on-line exams

▶ **Other Activities:**

↷ General Supervisor of the Students' Union of the Faculty of Science 2001/2003.

↷ Supervisor of the Social Committee, Students' Union of the Faculty of Science 1986/1994.

↷ Member of the Steering committee, academic committee of a number of Conferences held by the Faculty of Science and the University.

↷ Member of the arrangement committee of the Universities' Youth-week festival, Assiut Univ. 2003.

↷ Head of students Affairs and Education Committee, 2003-2004.

☞ Head of Libraries Committee.

☞ Member of a number of non-academic Committees, Dept. of Chemistry, Faculty of Science and Assiut University.

✱ **Membership of Syndicates and Societies:**

Prof.Kamal is a member in a lot of social as well scientific Societies and Foundations for example but not limited to:

☞ Member of the National Committee of FLDP, SCU.

☞ Member of the supreme council of the Egyptian Universities.

☞ Member of the Scientific Professions Syndicate.

☞ Member of the Egyptian Society of Chemistry.

☞ Member of the Egyptian Society of Electric Chemistry.

☞ Member of the German Society of Bio-Electric Chemistry.

☞ Member of the Basic Sciences Sector Committee, SCU.

☞ Member of the Holding Company of Drinking water and Sanitary Stations.

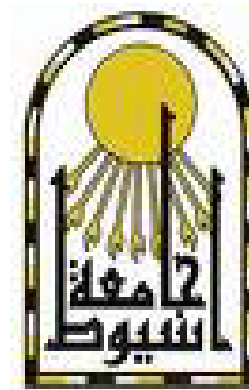

✱ **Academic Awards:**

☞ Third-World Academy Award in Chemistry, Italy, 1992.

☞ Indian Academy Award for Chemistry, 1983.

☞ Academic distinction Award for Basic Sciences in Assiut University, 2003.
