

Name : First Ahmed Middle Lotfy Surname Elattar

Position : Prof., of Nuclear Physics

Date &Place of birth : 5/4/1929 ElMinia

Gender : Male

Phone : 002088/334896 , 02/2720565

E-mail: alelattar@yahoo.com

Academic Qualifications

Degree	Date	University (Name& Location)	Specialization
Ph.D.	1967	Ohio	High Energy Physics
M.Sc.	1962	F.S.U	Nuclear Reactions
B.Sc.	1955	Ain Shams	Phys. Chemistry

Fields of interest :

Elementary Particles

High Energy Physics

Nuclear

Education Development

Science Teachers Training

Membership of professional organizations :

EXI American Scientists

Mathematic Physics Society

Physics Society

Experiences :

Associate Prof. of Physics Tennessee University U.S.A.

Chairman of physics Department, Assiut University.

Chairman of physics Department, UAE University.

Chairman of the 1ST Physics Olympiad for Arab Countries held in Dubai 1989, UAE.

Visiting Prof. Boston College U.S.A.

Operating Tandem Van de Graaff accelerator

Teaching Graduate – Under Graduate Courses

Writing text books . Translating Science books

Scientific and other awards:

Government Fellowship Vienna University

Government Fellowship FSU University

Government Fellowship Ohio University

Member Pennington Committee of physics

Supreme board of National Organization Radiation Physics

Recent published materials:

Analysis of elastic scattering widths Optical Model Potential Cross-Sections of Fusion reactions Pion- nucleus and K meson- nucleus interactions Iron Free lens in electron microscopy .
