● PROJECTS

10/10/2014 – 01/01/2017

An assessment of the needs and problems of kindergarten children in Assiut governorate, the national project to discover the reasons for people's reluctance to live in new areas

<https://www.facebook.com/profile.php?id=100009602533547>

We deal with the first project, assessing the needs and problems of kindergarten children inside Assiut governorate, and identifying the problems that children, their families, and individuals working within these institutions face. The second project will deal with identifying the reasons for the people's reluctance to live in the new areas that are being established to overcome the problem of overcrowding and overpopulation and to combat randomness.
