

Curriculum vitae (CV)

Personal Information

Name: Hassan Abdel-Sabour Ali **Hussein**

Date and place of birth: 31 May, 1969- Assiut, Egypt.

Gender: Male **Nationality:** Egyptian

Marital status: Married and I have children

Military status: postponed

Post address: Dept. Theriogenology, Faculty Vet. Med., Assiut University, 71526 Assiut, Egypt.

E mail: hassansabour69@aun.edu.eg, hassansabour69@yahoo.com

Scopus web sites: <https://www.scopus.com/authid/detail.uri?authorId=57205147198>

Web site Publons: <https://publons.com/researcher/1660053/hassan-hussein/metrics/>

Linkedin: <https://www.linkedin.com/in/hassan-hussein-40175145/>

ORCID: <http://orcid.org/0000-0001-5182-629X>

Mobile: 002/ 01010801151 **Office Tel.:** 088 2080699 **Home:** 002/88 2146691

Education &Qualifications:

B. V. Sc.: May 1992 (very good with Honor), Assiut University, Egypt

M. V. Sc.: Dec. 1996 (Reproduction in sheep), Assiut University, Egypt

PhD V. Sc.: Feb. 2003 (Reproduction program in cattle)

Justus-Liebig University., Giessen, Germany

General specialization: Veterinary obstetrics, Gynecology and A.I.

Fine Specialization: Reproduction programs in farm animals, Reproductive biotechnology.

Career progression

1. Demonstrator of Theriogenology: 1993-1996 in Dept. Theriogenology, Faculty Vet. Med., Assiut University, Egypt.
2. Assistant lecturer of Theriogenology: 1997-1999 in Dept. Theriogenology, Faculty Vet. Med., Assiut University, Egypt.
3. Coworker in Theriogenology: 1999-2003. in Kinik fuer Geburtshilfe, Gnaecologie und Andrologie der Gross- und Kleintiere mit Tieraerztlicher Ambulany der Justus-Liebig-Universitaet, Giessen, Germany.
4. Lecturer of Theriogenology: 2003 in Dept. Theriogenology, Faculty Vet. Med., Assiut University, Egypt.
5. Assistant professor of Theriogenology 2008 in Dept. Theriogenology, Faculty Vet. Med., Assiut University, Egypt.
6. Professor of Theriogenology since 2013 in Dept. Theriogenology, Faculty Vet. Med., Assiut University, Egypt.
7. Director of the Veterinary clinic, Assiut University since 2013.
8. Head of theriogenology department, Faculty Vet Med, Assiut University since Aug. 2017.
9. Member in the Scientific Committee for the Promotion of the Professor and Associate Professors (Supreme Council of Universities, SCU) since 2017 till now.

Skills & Activities

Skills Master degree in vet. Theriogenology, 1996, Dept. Theriogenology, Faculty Vet. Med., Assiut University, Egypt.
Scholarship from Egyptian government in Germany: 1999-2003 (for PhD).
Ph. D. of theriogenology, 2003, Justus-Liebig University, Giessen, Germany
Scientific advisor of Misr El-Khair Institution (Supervision on Ard El-Khair dairy and beef farms 2011-2015).

Good experience in: Veterinary Medicine, Veterinary Obstetrics, Dairy Science, Ovarian diseases, Semen Analysis, Hormonal Analysis ELISA, RIA, Antioxidant analysis, reproductive biotechnology (Artificial insemination, In Vitro fertilization and Embryo Transfer), Ultrasonography, Doppler Ultrasonography, Animal Breeding, Animal Reproduction, Reproductive protocols, Equine Reproduction, Reproductive immunity. Student testing and qualifications (under- and postgraduate). Supervision of about 15 master and PhD degrees and about 70 scientific articles published mostly in international journals with valuable impact factor.

International referee

Theriogenology
Animal Reproduction Science
Small Ruminant Research
Reproduction in Domestic Animals
Iranian Journal of Animal Science
Comparative Clinical Pathology
Tropical Animal Health and Production
Veterinarski arhiv
Assiut Veterinary Medical Journal

Membership

Member of the Egyptian society for animal reproduction and fertility.
Member of the Egyptian society of cattle disease.
Member of Camel Diseases Society
Member of Egyptian society of Equine diseases

Research experience

1. Master degree in vet. Theriogenology, 1996, Dept. Theriogenology, Faculty Vet. Med., Assiut University, Egypt.
2. Scholarship from Egyptian government in Germany: 1999-2003 (for PhD).
3. PhD of theriogenology, 2003, Justus-Liebig University, Giessen, Germany.
4. Good researcher in the branches of veterinary theriogenology.
5. Good experience in hormonal analysis using ELISA, RIA.
6. Good experience in reproductive biotechnology (AI, IVF, embryo transfer)
7. Very good experience in teaching undergraduate and postgraduate veterinary medicine students.
8. Good experience in student testing and qualifications (under- and postgraduate).
9. Supervision of about 15 master and PhD degrees and about 70 scientific articles published mostly in international journals with valuable impact factor.
10. Member of the Egyptian society for animal reproduction and fertility.
11. Member of the Egyptian society of cattle disease.

12. Very good experience in the clinical practice and treatment of all diseased animals in all veterinary branches (Surgery, medicine, obstetrics, gynecology).
13. Scientific advisor of Misr El-Khair Institution (Supervision on Ard El-Khair dairy and beef farms 2011-2014).
14. Member of Deutsche Forschung Gesellschaft (DFG).
15. Post-doctor scholarship (6 months) in Germany 2014/2015
16. **Language knowledge:** Arabic Mother tongue, English very good.
German Excellent, France little

Awards & Grants

Jun 1993-2018 Awards: of Environment and community service development from Assiut university (yearly)

Feb 1999 Scholarship from Egyptian government: 1999-2003 (for PhD), Jutus-Liebig Universitaet, Giessen, Germany.

March 2008 Award: of Environment and community service development from El-Azhar University (Assiut Branch, Faculty of Agriculture)

Jun 2011 Award: of Scientific Excellence from Misr EL-Khair foundation

Jun 2012 Award: of Excellence in Scientific Publication Awards (ESCPA)

Jun 2013 Post Doc. Scholarship for 6 months/ scientific researches in Germany

Mar 2014 Award: of Scientific Excellence in Agricultural science from Assiut University

August 2018 Post Doc. Scholarship for 3 months/ scientific researches in Germany

Head of Theriogenology Dept.: Prof Dr. Hassan A Hussein

Vice Dean of Graduate Studies: Prof Dr. Hassan A Abdel-Raheem

Faculty Dean Prof Dr. Madeha Hosny Darwish
