**Assiut university – Faculty of Veterinary Medicine  
Department of Poultry Diseases**

***Memberships***

Member of the Egyptian Veterinary Medical Association

Member of the Egyptian Veterinary Poultry Association (National branch of the World Veterinary Poultry Association)

***Conferences***

The 13<sup>th</sup> Conference of the Faculty of Veterinary Medicine, Assiut University, (2008).

The 14<sup>th</sup> Conference of the Faculty of Veterinary Medicine, Assiut University, (2010).

The first

***Attended training programs of Faculty and leadership development center (FLDC)***

1-Teaching ethics.

2- Effective communication skills in different patterns of education.

3- Teaching using technology.

4- Legal aspects of the universities.

5- Development of thinking skills.

6- Effective Presentation.

7- Credit hour system.

8- How to write a competitive research project.

9- Electronic learning

10- Standards of Education Quality

11- Using technology in teaching 2

12- Management of universities

13- How to present scientific data

14- Ethics of scientific research

**Assiut university – Faculty of Veterinary Medicine  
Department of Poultry Diseases**

***Attended training programs of Control Quality Assurance Program (CQAP)***

- |  |
|--|
| 1- Avian influenza “Challenges and obstacles to prevent the spread of the disease” |
| 2- Credit hour system.   |
| 3- Effective communication.  |
| 4- SWOT Analysis.  |
| 5- Course Specification.   |
| 6- Course Report.  |
| 7- How to write a research proposal.   |

***Workshops***

PCR Principles and Application (The Genetic Engineering and Molecular biology Research Center, Assiut University)

Pfizer 2nd Student Competition, Zagazig University, Faculty of Veterinary Medicine.

Pfizer 3rd Student Competition, Alexandria University, Faculty of Veterinary Medicine.

Workshops organized by Poultry diseases Department discussing field problems like Avian influenza, coccidiosis, Fowl cholera and other many problems
